This excludes items such as Selective Licensing, On Street Parking and specific growth items covered elsewhere in the budget.

### **Recommendation(s):**

1. That Overview and Scrutiny Panel consider the fees and charges as listed in Annex 1 and make any recommendations or provide feedback to Cabinet.

### **CORPORATE IMPLICATIONS**

<b>Financial and Value for Money</b>	The financial implications have been reflected within the body of the report. However were members to decide to reject any of the proposals, then additional savings of the same value would be required to deliver a balanced budget.
<b>Legal</b>	<p>Section 151 of the 1972 Local Government Act requires a suitably qualified named officer to keep control of the council's finances. For this council, it is the Deputy Chief Executive (S151 Officer), and this report is helping to carry out that function.</p> <p>Local authorities have a variety of powers to charge for specific statutory services as set out in section 42 of the Local Government Act 2003.</p> <p>The power to charge for discretionary services is not available to local authorities if there is a statutory duty to provide the service or if there is a specific power to charge for it or if there is a prohibition on charging.</p> <p>The Localism Act 2011 provides local authorities with a general power of competence that confers on them the power to charge for services but again subject to conditions/limitations similar to those noted above.</p>

	Any decision made by the council must give due regard to the Public Sector Equality Duty section 149 of the Equality Act 2010.								
<b>Corporate</b>	Corporate priorities can only be delivered with robust finances and this report gives Members the opportunity to review the council's proposed fees and charges for 2019-20 as part of the budget process.								
<b>Equalities Act 2010 &amp; Public Sector Equality Duty</b>	<p>Members are reminded of the requirement, under the Public Sector Equality Duty (PSED) (section 149 of the Equality Act 2010) to have due regard to the aims of the Duty at the time the decision is taken. The aims of the Duty are: (i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act, (ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and (iii) foster good relations between people who share a protected characteristic and people who do not share it.</p> <p>Protected characteristics: age, gender, disability, race, sexual orientation, gender reassignment, religion or belief and pregnancy &amp; maternity. Only aim (i) of the Duty applies to Marriage &amp; civil partnership.</p> <table border="1" data-bbox="432 898 1401 1223"> <tr> <td colspan="2" data-bbox="432 898 1401 954">Please indicate which aim is relevant to the report.</td> </tr> <tr> <td data-bbox="432 954 1310 1043">Eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act,</td> <td data-bbox="1310 954 1401 1043"></td> </tr> <tr> <td data-bbox="432 1043 1310 1133">Advance equality of opportunity between people who share a protected characteristic and people who do not share it</td> <td data-bbox="1310 1043 1401 1133">✓</td> </tr> <tr> <td data-bbox="432 1133 1310 1223">Foster good relations between people who share a protected characteristic and people who do not share it.</td> <td data-bbox="1310 1133 1401 1223">✓</td> </tr> </table> <p>The Equality Act 2010 (the "Act") came into force on 1 October 2010 and brings together over 116 separate pieces of legislation in order to create a framework to protect the rights of individuals and advance equality of opportunity for all.</p> <p>The Equality and Human Rights Commission recognises that with major reductions in public spending, local government has to make difficult and often unpopular decisions regarding funding and service provision. Thanet District Council has statutory public sector equality duties concerned with eliminating unlawful discrimination, advancing equality of opportunity and fostering good relations on the basis of protected characteristics such as gender, race, disability or age. These duties do not prevent the council reducing services or charging where necessary - provided that decisions are taken in accordance with the Act.</p> <p>An Equality Impact Assessment ("EIA") is not a legal requirement in England, but it is an established and credible tool for demonstrating due regard to the public sector equality duty, which is required by law. Thanet District Council, taking its obligations as seriously as it does, had the Policy Owner for each proposed fee and charge, complete an EIA.</p> <p>An analysis of the impacts fees and charges might have to the statutory equality duties encouraged Thanet District Council to take a proportionate</p>	Please indicate which aim is relevant to the report. EIAs tailored the necessary mitigations and exceptions, for example.</p> <p>The council is satisfied that, in all the circumstances, the Schedule of 2019-20 fees and charges, those subject to an EIA, are lawful for the purposes of the public sector equality duties in the Equality Act 2010.</p> <p>The council recognises that EIAs are not an end in themselves. They are, of course, a way of showing that due regard has been paid to the general duties; but the council will continue, all-the-time, engaging with the equality considerations, accepting comments and opinions from stakeholders and maintain a positive relationship with the Equality and Human Rights Commission.</p>

## **1. Introduction and Background**

- 1.1. This report sets out the fees and charges for 2020-21. Fees and charges have historically been agreed early in the budget cycle so that they can be built into individual service estimates. This covering report summarises the main points, with the details being provided in Annex 1.
- 1.2. A rigorous examination of all the council's fees and charges was undertaken by the service managers, using techniques such as benchmarking and other in-depth reviews.
- 1.3. Service managers also completed Equality Impact Assessments as per the requirement of the Public Sector Equality Duty and hence informed their design of the service and price.
- 1.4. Changes to bring to Members' attention:
  - 1.4.1. Parking Off Street - Where there are residents only voucher schemes, from April 2020 these will be limited to a maximum of 40 daily vouchers.
  - 1.4.2. Parking Decrim - New fee for Dog Bone marking, a service no longer offered by KCC.
  - 1.4.3. Bulky Waste - A new cancellation fee of £5 to be deducted from refund when a collection is cancelled.
  - 1.4.4. Commercial Waste - A new commercial service offered for Mechanical sweeping of private land on a price on application basis.

## 2. Implications

- 2.1. Annex 1 to this report sets out the proposed level of fees and charges for 2020-21 in respect of services provided by the council. As a result of reviewing all the council's fees and charges, additional income of £208K is anticipated in 2019-20. Table 1 compares 2019-20 to the proposed 2020-21 fees and charges. The proposals represent an increase in income of 2.5%. Some charges have remained at 2019-20 prices; others have increased to reflect parity with other authorities and some to cover the cost of providing the service.
