### CORPORATE IMPLICATIONS

<b>Financial and Value for Money</b>	The financial implications have been reflected within the body of the report. However were members to decide to reject any of the proposals, then additional savings of the same value would be required to deliver a balanced budget.
<b>Legal</b>	<p>Section 151 of the 1972 Local Government Act requires a suitably qualified named officer to keep control of the council's finances. For this council, it is the Deputy Chief Executive (S151 Officer), and this report is helping to carry out that function.</p> <p>Local authorities have a variety of powers to charge for specific statutory services as set out in section 42 of the Local Government Act 2003.</p> <p>The power to charge for discretionary services is not available to local authorities if there is a statutory duty to provide the service or if there is a specific power to charge for it or if there is a prohibition on charging.</p> <p>The Localism Act 2011 provides local authorities with a general power of competence that confers on them the power to charge for services but again subject to conditions/limitations similar to those noted above.</p>

	Any decision made by the council must give due regard to the Public Sector Equality Duty section 149 of the Equality Act 2010.								
<b>Corporate</b>	Corporate priorities can only be delivered with robust finances and this report gives Members the opportunity to review the council's proposed fees and charges for 2019-20 as part of the budget process.								
<b>Equalities Act 2010 &amp; Public Sector Equality Duty</b>	<p>Members are reminded of the requirement, under the Public Sector Equality Duty (PSED) (section 149 of the Equality Act 2010) to have due regard to the aims of the Duty at the time the decision is taken. The aims of the Duty are: (i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act, (ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and (iii) foster good relations between people who share a protected characteristic and people who do not share it.</p> <p>Protected characteristics: age, gender, disability, race, sexual orientation, gender reassignment, religion or belief and pregnancy &amp; maternity. Thanet District Council has statutory public sector equality duties concerned with eliminating unlawful discrimination, advancing equality of opportunity and fostering good relations on the basis of protected characteristics such as gender, race, disability or age. These duties do not prevent the council reducing services or charging where necessary - provided that decisions are taken in accordance with the Act.</p> <p>An Equality Impact Assessment ("EIA") is not a legal requirement in England, but it is an established and credible tool for demonstrating due regard to the public sector equality duty, which is required by law. Thanet District Council, taking its obligations as seriously as it does, had the Policy Owner for each proposed fee and charge, complete an EIA.</p> <p>An analysis of the impacts fees and charges might have to the statutory equality duties encouraged Thanet District Council to take a proportionate</p>	Please indicate which aim is relevant to the report. EIAs tailored the necessary mitigations and exceptions, for example.</p> <p>The council is satisfied that, in all the circumstances, the Schedule of 2019-20 fees and charges, those subject to an EIA, are lawful for the purposes of the public sector equality duties in the Equality Act 2010.</p> <p>The council recognises that EIAs are not an end in themselves. They are, of course, a way of showing that due regard has been paid to the general duties; but the council will continue, all-the-time, engaging with the equality considerations, accepting comments and opinions from stakeholders and maintain a positive relationship with the Equality and Human Rights Commission.</p>

## 1. Introduction and Background

- 1.1. This report seeks Cabinet approval to set the fees and charges for 2020-21. This covering report summarises the main points, with the details being provided in Annex 1.
- 1.2. A rigorous examination of all the council's fees and charges was undertaken by the service managers, using techniques such as benchmarking and other in-depth reviews.
- 1.3. Service managers also completed Equality Impact Assessments as per the requirement of the Public Sector Equality Duty and hence informed their design of the service and price.
- 1.4. Changes to bring to Members' attention:
  - 1.4.1. Parking Off Street - Where there are residents only voucher schemes, from April 2020 these will be limited to a maximum of 40 daily vouchers.

- 2.2. The CAG focused mainly on fees and charges for car parking and were satisfied with the proposed charges for the forthcoming year.

- 2.3. OSP covered a broader a review of fees and charges and made the recommendation to Cabinet that:  
*'That Cabinet considered not to increase the events application fee, thereby keeping it at the current level of £75.'*
- 2.4. This recommendation has been reflected in the detailed schedule of fees and charges presented in Annex 1.

#### 4. Options

- 4.1 Cabinet accept the fees and charges submitted, or Cabinet notify officers of any changes required. If there are changes to those recommended that result in reduced income, then this will create a shortfall in the budget that will need to be funded from another source.
- 4.2 That Cabinet recommend the agreed fees and charges to Council for Decision.

#### 5. Next Steps

- 5.1 If Cabinet accepts the recommendations then these proposals will be considered by Council on 5 December 2019.
