CORPORATE IMPLICATIONS

Financial and Value for Money	There are no financial implications arising directly from this report but elements of the suggested work programme may have financial and resource implications which would need to be managed within existing resources, or alternatively compensating savings found.
Legal	The role of scrutiny is set out in section 9F of the Local Government Act 2000. The council must also have regard to the statutory guidance on Overview and Scrutiny from the ministry of Housing, Communities and Local Government when exercising its functions.
Corporate	<p>The work programme should help to deliver effective policy decision making by scrutinising executive decisions before, and at times after, implementation.</p> <p>The sub-committees assist the work of scrutiny as they would carry-out an in-depth study of any issue referred to the groups under their terms of reference. An active Scrutiny programme is part of good governance.</p>
Equality Act 2010 & Public Sector Equality Duty	Members are reminded of the requirement, under the Public Sector Equality Duty (section 149 of the Equality Act 2010) to have due regard to the aims of Duty at the time the decision is taken. The aims of the Duty are: (i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act, (ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and (iii) foster good relations between people who share a protected characteristic and people who do not share it.

	Protected characteristics: age, gender, disability, race, sexual orientation, gender reassignment, religion or belief and pregnancy & maternity. Only aim (i) of the Duty applies to Marriage & civil partnership.	
	Please indicate which aim is relevant to the report.

	Advance equality of opportunity between people who share a protected characteristic and people who do not share it	
	Foster good relations between people who share a protected characteristic and people who do not share it.	
No implications arise directly but the Council needs to retain a strong focus and understanding on issues of diversity amongst the local community and ensure service delivery matches these.		
It was important to be aware of the Council's responsibility under the Public Sector Equality Duty (PSED) and show evidence that due consideration has been given to the equalities impact that may be brought upon communities by the decisions made by Council.

1.0 Introduction and Background

1.1 This report allows the Panel to review and amend the work programme for the 2019/20 municipal year agreed at the meeting on 21 January 2020.

1.2 It is worth noting that the newly issued statutory guidance of the scrutiny function says, effective overview and scrutiny should:

- Provide constructive 'critical friend' challenge;
- Amplify the voices and concerns of the public;
- Be led by independent people who take responsibility for their role; and
- Drive improvement in public services

1.3 With this in mind, Members may wish to ensure that the Panel work programme for the year provides opportunities for critical but constructive challenge to the Executive, articulate any concerns about matters that are the business of the council and strive for improved service delivery by the Council and other public agencies working in Thanet.

2.0 Current Scrutiny Activities, including Cabinet Member Presentations

Cabinet Presentations at OSP Meetings for 2019/20

2.1 The panel is awaiting cabinet presentations on the following topics:

1. The future management of council housing stock. The presentation would concentrate on providing an update on the preferred option to bring council housing stock into council management (20 February 2020);
 2. Service review of Operational Services (21 April 2020).
- 2.2 The rest of the work programme for 2019/20 is detailed in Annex 1 to the Council report. This schedule is subject to amendments during the course of the year as Members may add more items for reviewing.
- 2.3 Members may also wish to reflect and comment on the content in Annex 2 which provides an opportunity to review and keep track of the spread of the scrutiny review work, particularly between pre and post decision scrutiny activities.

3.0 Panel Recommendations to Cabinet - Implementation Monitoring

Fees and Charges review

- 3.1 The seven member fees and charges cabinet advisory group met on 10 October, ahead of the Panel and Cabinet meetings to consider the fees and charges for 2020/21. Their work kick started the review of fees and charges for 2020/21.
- 3.2 The advisory group focused on car park fees and charges. The proposals for 2020/21 fees and charges were then presented to the Overview & Scrutiny Panel on 22 October. Members made the following recommendation, that:
- Cabinet considered not to increase the events application fee, thereby keeping it at £75.
- 3.3 Cabinet agreed to the Panel recommendation and this was factored into the council budget report that was considered by Cabinet and OSP on 14 January and 21 January 2020, respectively.

Proposal for the disposal of the Dreamland freehold

- 3.4 Cabinet agreed to negotiate with Sands Heritage Ltd for a housing restriction period of more than 10 years to be part of the agreement of sale.

Adoption of a new Housing Assistance Policy

- 3.5 At the July meeting, the Panel considered a report on the "Adoption of a new Housing Assistance Policy" and recommended to Cabinet that Council writes to Kent County Council requesting that "KCC ring fenced the £405k (Top sliced/payment to KCC projected for 2019/20) for use by Thanet residents".
- 3.6 Cabinet forwarded the request to KCC via a letter sent to KCC by the Cabinet Member for Housing and Safer Neighbourhoods on 12 August. The Panel is awaiting a response from KCC.

Travellers Review Recommendation

- 3.7 After a scrutiny review conducted by a working group, the Panel recommended to Cabinet that "further work be undertaken including extensive public consultation to assess the feasibility and cost implications of establishing temporary tolerated sites in the district."

3.8 Having considered the Overview and Scrutiny Panel recommendations on 16 December, Cabinet agreed to the following:

“That further work was undertaken to assess the feasibility and cost implications of three temporary tolerated sites in the District, at Potten Street, St Nicholas at Wade, Tivoli Brooks and Ramsgate Port, with a view to using them on a rotational basis

Council Budget Setting 2020/21

3.9 Members reviewed the 2020/21 Council budget proposals forwarded to the Panel by Cabinet and engaged the Cabinet Member for financial Services in discussion at the January meeting.

3.10 After some debate, Members made the following recommendation to Cabinet to consider before submitting the budget proposals to Full Council for final decision:

“that Cabinet considers identifying a resource to support coastal projects.”

3.11 Thereafter Cabinet recommended to Council and on 6 February Members agreed the following:
