The above licence was issued in November 2005

### **The Live Music Act 2012**

The Live Music Act 2012 amended the Licensing Act 2003 so that a licence is not required to stage a performance of live music, or the playing of recorded music if:

- it takes place between 8:00AM and 23:00PM; and
- it takes place at an alcohol on-licensed premises; and
- the audience is no more than 500 people

You also don't need a licence:

- to put on unamplified live music at any place between the same hours

Therefore the above means that the current licence allows the owner to have live and recorded music during the hours of 8:00am and 23:00pm without this being licensed by the authority. These conditions can be changed if a licence is called in for Review or Variation.
