Corporate Implications

Financial and Value for Money

There are no financial implications arising directly from this report but elements of the suggested work programme may have financial and resource implications which would need to be managed within existing resources, or alternatively compensating savings found.

Legal

The role of scrutiny is set out in section 9F of the Local Government Act 2000. The council must also have regard to the statutory guidance on Overview and Scrutiny from the ministry of Housing, Communities and Local Government when exercising its functions.

Corporate

The work programme should help to deliver effective policy decision making by scrutinising executive decisions before, and at times after, implementation.

The sub-committees assist the work of scrutiny as they would carry-out an in-depth study of any issue referred to the groups under their terms of reference. An active Scrutiny programme is part of good governance.

Equality Act 2010 & Public Sector Equality Duty

Members are reminded of the requirement, under the Public Sector Equality Duty (section 149 of the Equality Act 2010) to have due regard to the aims of Duty at the time the decision is taken. The aims of the Duty are: (i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act, (ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and (iii) foster good relations between people who share a protected characteristic and people who do not share it.

CORPORATE PRIORITIES

This report relates to the following corporate priorities:

- Communities

1.0 Introduction and Background

- 1.1 This report allows the Panel to review and amend the work programme for the 2020/21 municipal year agreed at the meeting on 27 August 2020. Due to the ongoing national health emergency caused by COVID-19, Council meetings continue to be conducted through the virtual facility.
- 1.2 As the Annual Council meeting has been deferred, it technically means that means that the 2019/20 work programme will continue until such time as the council committees are reconstituted at the annual meeting. However for ease of reference Democratic Services will refer to work scheduled to be carried out in 2020/21 as the 2020/21 work programme.
- 1.3 The current statutory guidance for the scrutiny function says, effective overview and scrutiny should:
- Provide constructive ‘critical friend’ challenge;
 - Amplify the voices and concerns of the public;
 - Be led by independent people who take responsibility for their role; and
 - Drive improvement in public services
- 1.4 With this in mind, Members may wish to ensure that the Panel work programme for the year provides opportunities for critical but constructive challenge to the Executive, articulate any concerns about matters that are the business of the council and strive for improved service delivery by the Council and other public agencies working in Thanet.

2.0 The Current Situation

Scrutiny Topics

- 2.1 At the July meeting, the Panel received the list of potential scrutiny topics and agreed that these were going to be prioritised using the matrix that was established and agreed upon by Members. Further discussion still needs to be had to fine tune the topics by identifying the specific problem that Members would like to investigate and the outcomes they would like to achieve as a result of these investigations.

- 2.2 At the August meeting, the Panel agreed the scrutiny review topics and the order in which these topics would be considered. The reviewing of memorial plaques and monuments in the district was given priority in order to expedite the review process and contribute to the establishment of the policy by Cabinet. The topic details are highlighted at Annex 2 of the report.
- 2.3 In carrying out these reviews, Members are requested to bear in mind the current resource implications of the Coronavirus epidemic as this will have an impact on which of the review suggestions can be conducted at this time.
- 2.4 Statues and Blue Plaques: The Memorials Working Party met on 30 September and considered a report by the Monitoring Officer on developing the criteria for reviewing and plaques in the district. A verbal update would be provided at the meeting by the Chairman of the working party.

Cabinet Presentations at OSP Meetings

- 2.5 Currently there is an intention to invite the Leader of Council to discuss the Cabinet's vision moving forward. The Panel needs to agree on a more appropriate timing for this presentation.
- 2.6 The rest of the work programme for 2020/21 is detailed in Annex 1 to the Council report. This schedule is subject to amendments during the course of the year as Members may add more items for reviewing.
- 2.7 Members may also wish to reflect and comment on the content in Annex 3 which provides an opportunity to review and keep track of the spread of the scrutiny review work, particularly between pre and post decision scrutiny activities.

3.0 Panel Recommendations to Cabinet - Implementation Monitoring

The Panel keeps a watching brief on all the issues in this section, until the executive decisions are fully implemented.

Proposal for the disposal of the Dreamland freehold

- 3.1 The Panel called-in a Cabinet decision regarding the Dreamland freehold and recommended the following back to Cabinet:
1. That Cabinet seeks three independent valuations for the Dreamland site before an agreement is reached with a buyer, and;
 2. Cabinet requests an 18 year housing development restriction in the agreement instead of the proposed 10 years.
- 3.2 In response Cabinet agreed the following:
1. To authorise another market valuation of the Dreamland site in order to ensure that sufficient breadth of comparable evidence is considered for the sale. Both valuations to be used to demonstrate that best value is obtained.

2. To retain the proposed 10 year housing development restriction on the Dreamland site as agreed by Cabinet on 01 August 2019. Delegated officers to continue the negotiations to explore the suggested extension fully as part of the sale process.

3.3 The Panel is maintaining a watching brief on this matter as the negotiations progress.

Adoption of a new Housing Assistance Policy

3.4 At the July 2019 meeting, the Panel considered a report on the "Adoption of a new Housing Assistance Policy" and recommended to Cabinet that Council writes to Kent County Council requesting that "KCC ring-fenced the £405k (Top sliced/payment to KCC projected for 2019/20) for use by Thanet residents".

3.5 Cabinet forwarded the request to KCC via a letter sent to KCC by the Cabinet Member for Housing and Safer Neighbourhoods on 12 August 2019. The Panel is awaiting a response from KCC.

Travellers Review Recommendation

3.6 After a scrutiny review conducted by a working group, the Panel recommended to Cabinet that "further work be undertaken including extensive public consultation to assess the feasibility and cost implications of establishing temporary tolerated sites in the district."

3.7 Having considered the Overview and Scrutiny Panel recommendations on 16 December 2019, Cabinet agreed to the following:

"That further work was undertaken to assess the feasibility and cost implications of three temporary tolerated sites in the District, at Potten Street, St Nicholas at Wade, Tivoli Brooks and Ramsgate Port, with a view to using them on a rotational basis". Members are maintaining a watching brief on the issue.

3.8 Cabinet further considered this matter at the meeting on 17 September 2020 and agreed the following:

1. That the identification of appropriate tolerated stopping sites becomes part of the Local Plan review;
2. That Officers continue with an officer and partner group, working with known groups of gypsies and travellers to address site access and behaviours.

Council Budget Setting 2020/21

3.9 Members reviewed the 2020/21 Council budget proposals forwarded to the Panel by Cabinet and engaged the Cabinet Member for Financial Services in discussion at the January meeting.

3.10 After some debate, Members made the following recommendation to Cabinet to consider before submitting the budget proposals to Full Council for final decision:

"that Cabinet considers identifying a resource to support coastal projects."

3.11 Thereafter Cabinet recommended to Council and on 6 February 2020, Members agreed the following:

That subject to funding availability, a resource be identified to support coastal projects.

3.12 The Panel will continue to monitor this issue to check if any progress has been made to secure the funding for coastal projects
