

‘We will work with our communities to foster a shared responsibility and increase our community engagement’

(Corporate Statement - Thanet District Council's Core Business Objectives 2019 - 2023)

## 1 What is a Statement of Community Involvement?

1.1 The Council is committed to involve the community as much as possible in the planning process as local knowledge helps contribute towards meaningful and appropriate planning policy. The more the community is involved in the planning process, the greater the ownership is of the planning decisions that shape the future of the area.

1.2 The Statement of Community Involvement (SCI) sets out how the Council will involve people in the planning process. It explains how people can become involved when the Council is preparing planning policies, deciding planning applications and consulting on Neighbourhood Plans.

1.3 The Council has to produce an SCI as set out in the Planning and Compulsory Purchase Act 2004.

1.4 Appendix 1 of this document lists the Statutory Consultees we have to consult and Appendix 2 sets out the Strategic Planning Privacy Statement.

## **Why is the Statement of Community Involvement being reviewed?**

1.5 The Council has to review its Statement of Community Involvement every five years<sup>1</sup>. We have prepared this SCI review in accordance with the most recent national guidelines.

1.6 The SCI was last reviewed in 2012. Since then, communication methods have dramatically changed, allowing easier, more direct and more digitally focussed methods in addition to traditional methods of engagement. The updated SCI will reflect the Council's current practices, and will replace the 2012 version once adopted.

## **2 - What we will consult on**

### **Local Plans**

2.1 Every Council has to have an up to date Local Plan - it is a statutory requirement. A Local Plan is a blueprint for housing, roads, business and infrastructure. Thanet's Local Plan sets a clear development strategy for Thanet, providing certainty for local people, agents and developers as to where development can happen and where it should not, and the types of development that would be supported. The Local Plan is the starting point for making decisions on planning applications, and helps to guide investment and can help support bids for infrastructure funding.

2.2 The Council can also produce 'Development Plan Documents' (DPD) to include planning policies that sit alongside Local Plan policies (e.g. the Cliftonville DPD).

2.3 The Council has to carry out informal and formal consultations in the process of preparing a Local Plan, a DPD or a review of an existing Local Plan. The Local Plan, DPD, or reviewed Local Plan will have to be formally adopted by the Council.

### **Supplementary Planning Documents (SPDs)**

2.4 Supplementary Planning Documents are not statutory documents, and can be used to provide more detail to policies included in the Local Plan (e.g. the Landscape Character Assessment SPD). The Council has to carry out a formal consultation in the process of preparing a SPD. The SPD will also have to be formally adopted by the Council.

### **Neighbourhood Plans, Neighbourhood Development Orders and Community Right to Build Orders**

2.5 Neighbourhood Plans are prepared by Town or Parish Councils, or a Neighbourhood Forum in any areas where there is no Town or Parish Council. There are various stages in the Neighbourhood Planning process where the Council has to carry out formal consultations. The Neighbourhood Plan will have to be formally adopted (or 'made') by the Council.

---

<sup>1</sup> Town & Country Planning Regulations, 10A

2.6 A Neighbourhood Development Order means that town and parish councils can grant permission for certain types of development without the need for people to apply to the Council. These could include, for example, all house extensions in a defined area, changes of use, or development on a particular site. Certain types of development are excluded, such as minerals and waste developments, certain public and private environmental projects, and nationally significant infrastructure projects.

2.7 A Community Right to Build Order enables small-scale development in neighbourhoods, such as housing or community facilities, but can be prepared by any local community organisation rather than just town and parish councils. As above, certain types of development are excluded.

### **Other Documents**

2.8 The Council may from time to time consult on other planning related documents (for example the Transport Strategy and Conservation Area Appraisals). The consultations carried out will depend on the nature of the document the Council is consulting on.

### **Planning Applications**

2.9 The Council consults in a number of ways on planning applications to ensure that anyone likely to be directly affected by a proposed development has the chance to comment on the application.

## **3 - Who we will consult**

3.1 We will consult with people who have registered on the Strategic Planning consultation portal when we carry out a consultation. Anyone can register on our consultation portal at [www.thanetcouncilplan.inconsult.uk](http://www.thanetcouncilplan.inconsult.uk).

3.2 When people register, they are asked to indicate their area of interest, i.e. district wide (so would include the Local Plan/Review and some SPDs) or only certain towns/villages (e.g. Neighbourhood Plans and more specific DPDs/SPDs). This is to ensure that people only receive communication from us on topics that are relevant and of interest to them.

3.3 Statutory Consultees are people we are required under Planning Legislation to contact in every consultation. They include government organisations such as Natural England, Historic England and the Environment Agency. The full list can be found in Appendix 1. It will be necessary to hold more in-depth discussions with some bodies and agencies, both as part of the consultation process and as part of the Duty to Cooperate.

3.4 We want to ensure that everybody has the opportunity to get involved with planning decisions to get a good balance of views. In particular, the Council is keen to involve under-represented groups of people (or external agencies and organisations who represent them), often referred to as hard to reach, hard to hear or seldom heard groups. We will also seek to ensure that people/groups with protected characteristics are able to participate and give their views. We will look at different ways to engage with different sections of the community and encourage everyone to have their say. We will consider methods such as sending

packs/leaflets or doing presentations at schools, wider distribution of leaflets/publicity material, evening/weekend consultation events and ensuring consultation events are accessible to all. On request, documents can also be made available in different formats (e.g. Braille, audiotape, large print, colour of font or page or a different language).

## 4 - How we will consult

4.1 The Council will let people know about new planning policies in a number of ways:

Mail-Outs - we will write to or email anyone who has asked to be kept informed. People can register on our online consultation portal to receive updates at: <https://www.thanetcouncilplan.inconsult.uk>

Online - we will put information on our website and use Social Media to keep people up to date

Local Press - we will advertise consultations in a local newspaper

4.2 Whenever there is a formal consultation stage, the Council will publicise this through press releases and the website. The Council will seek to maximise its use of email and the website to advise the public of consultation documents and encourage the use of online consultations. Paper copies will be available for inspection at Council Offices and, where necessary, other appropriate locations (e.g. relevant libraries). Anyone who is unable to access the internet can request a paper copy to be made available in their local library. The Council will receive comments via its online consultation portal, email or by post. At some formal stages of the process, those making representations will be encouraged to use the official forms (provided by the Planning Inspectorate) for making comments, although all comments submitted, where appropriate, will still be registered. Representations made by telephone cannot be registered as formal representations - any comments made verbally must be confirmed in writing. We are unable to accept anonymous comments.

4.3 The Council uses its online consultation portal for all public consultations on planning policy issues. People can register, select their areas of interest, then simply log on to use the portal to view or comment on consultations, view responses to closed consultations or update their contact details. People making comments using the portal can start their comments and come back to them later - the portal will save them and will send an automatic acknowledgement once comments have been finalised and submitted. The consultation document and any other relevant documents will be available on the portal. Once a consultation has closed, all comments received will be made available on the portal. Those who have registered on the portal will receive email updates about the documents they are interested in. The Council also actively encourages people to use our online consultation portal to reduce costs and paper use, save taxpayers money and help protect the environment.

4.4 Council officers will enter all comments received by email or post into the online consultation portal to make it easier for us to assess responses, publish the results of a

public consultation, and send comments to Inspectors/Examiners at the independent assessment stage. Inputting comments into the online portal relies on the interpretation of them by Council officers. This can be very time-consuming and cause delay to the Local Plan process. Where long and complex representations are submitted on paper or by email, an administration fee may be charged when they have to be entered manually by officers. Based on previous experience, it is anticipated that the vast majority of representations would not be affected by fee charges. In order to avoid any mis-interpretation or mis-understanding of your representations, or administrative charges, we would encourage people to use the online consultation portal themselves.

4.5 Unless an email address is provided in postal responses, the Council’s online consultation portal will generate letters for any further communications. The Council may receive more than one letter from one household, but each letter is treated as an individual response. This will mean that individual letters will be sent to people from the same household who have all replied by post to a consultation.

4.6 The consultation and participation carried out for different documents will vary depending on the nature of the documents being prepared. Table 1 shows the methods of consultation that could be used. The Council will use one or more of the methods identified as being appropriate, depending on the type, nature, context and stage in the process of the consultation concerned. In the event that face-to-face consultation methods are not possible for whatever reason, the Council will seek to make fuller use of alternative methods of consultation and engagement.

4.7 Formal and informal consultations will be carried out by staff from the Strategic Planning team, in conjunction with the Council’s Communications team who have relevant expertise and resources in delivering public consultation and involvement.

**Table 1: Methods of consultation to consider**

| <b>Method</b>                         | <b>Useful for:</b>   | <b>For us to consider:</b>  | <b>Resources:</b>  |
|---------------------------------------|--|---|--|
| Advert/leaflet in Local Paper         | Raising levels of awareness and publicising specific opportunities to get involved. Reaching a wider audience                        | The timescale needed to ensure availability at the beginning of a consultation period   | Costs of advertising/printing/delivery   |
| Council Website – online consultation | Allowing access to latest information and provide opportunities to contribute electronically   | How to coordinate and work together with TDC Communications team, inputting resources   | Once information is available online, it is low cost. Will need GIS expertise for any maps to be made available – time implication           |
| Council Social Media                  | Raising levels of awareness and reaching a wider audience<br><br>Signposting people to the relevant documents and information online | We must make it clear how people should comment on a consultation document - comments under social media posts would not be considered as responses to a consultation | Staff time and availability in the Communications team in both posting content and responding to comments/questions if necessary/appropriate |

|                                    |  |   |   |
|------------------------------------|--|---|---|
| Documents available for inspection | Allowing everyone the opportunity to comment on draft documents. Documents will be made available at Council Offices and local libraries on request    | It must be clear how and when people should respond. Information should be accessible to all in terms of mobility, understanding and time available   | Staff time may be needed to answer questions and collate any responses. Cost of printing  |
| Exhibitions/Drop in Sessions       | Provides an opportunity for two way dialogue. Accessible to broad audience   | Information should be accessible to all in terms of mobility, understanding and times available   | Preparation costs, display materials and time needed can be significant. Additional staff time needed if exhibition is manned. Venue costs for hire.      |
| Questionnaires                     | Determining attitudes and identifying needs for improvement. Gaining views from people who may not otherwise express an opinion                        | Surveys can reap a greater number of responses  | Specialist software needed to assist with analysis and reporting of responses. Manual inputting of paper/emailed responses can be time consuming          |
| Public Meetings                    | Gaining first hand views regarding a specific area   | The audience, audience availability (e.g. daytime or evening) and any restrictions, time available for consultation<br><br>Can be less inclusive as not everyone gets chance to speak, so don't always get a wide representation of views | Costs of venue hire can be significant, staff time needed to prepare any material   |
| Workshops                          | Bringing together representatives from different sectors of the community to be more actively involved in scoping documents and identifying priorities | Events require significant preparation and organisation. However they can be very useful for discussing important and/or difficult issues   | Time is needed for preparation – specialist skills may be required. High staffing levels likely for facilitating. Costs of venue hire can be considerable |
| Online engagement                  | Provides an opportunity for two way dialogue. Sessions can be organised at various times of day to maximise participation                              | The number of people attending an online session for it to be meaningful. Whether to hold several general sessions and/or sessions covering a particular topic  | Staff availability - may need one or two to host/present/answer questions and a third to monitor 'chat'   |

## 5 - What happens to comments that the Council receives?

5.1 Once a formal consultation has ended, the Council will analyse all comments received and identify any changes to be made as a result. (This does not apply to a proposed 'submission' document as these responses are considered by the Planning Inspector). The Council recognises that it is important to report back to the community and other stakeholders on how their comments and suggestions have been taken on board. The Council does not respond to each individual comment, but does respond to common issues that are raised. The Council will publish feedback to all consultations on its website and in document format (eg committee reports). Anyone who has submitted comments will be contacted by email or by post to advise them when feedback is available.

5.2 Comments submitted to us cannot be made anonymously and will be made public alongside the person's name, and if relevant the name of the organisation, body or person being represented. In accordance with the General Data Protection Regulation (GDPR), no contact or other personal information will be published and will only be used for the purposes of planning consultations. More information on how people's information is stored and used can be found in the Council's [Privacy Statement](#) (link to be added here and at Appendix 2). The Council is not able to acknowledge receipt of comments, other than through automated responses to emails or comments submitted through the online Consultation Portal.

5.3 Each planning policy document requires a 'Statement of Consultation' which will outline how the SCI has been followed and how the main issues raised during consultations have been addressed.

## 6 - Local Plan/DPDs/SPDs

6.1 There are two types of planning policy document – Local Plan Documents and Supplementary Planning Documents. The diagram below shows the key stages in the production of a Local Plan Document and how the community can become involved at each stage. At stage 1, the Council will provide an outline of the anticipated timetable for the following stages.

| Stage 1              | Stage 2               | Stage 3               | Stage 4        |
|----------------------|-----------------------|-----------------------|----------------|
| Informal Involvement | Statutory Involvement | Statutory Involvement | No Involvement |

**STAGE 1: Evidence gathering and early community involvement -**

**'front-loading':**

**Who?** Targeted consultation with some or all of the following: Statutory Agencies, Town and Parish Councils, Mayors Offices, Business Community, Developers, Community Groups, Residents Associations, Traders Associations

**How?** Workshops, Focus Groups, Discussions/Meetings, Online Events

**STAGE 2: Public participation in preparation of a Local Plan (Regulation 18)**

Draft planning document produced - people will have an opportunity to comment on the Council's preferred strategy or consider possible alternatives

**Who?** General invitation for people to make representations giving at least 6 weeks for people to comment

**How?** Statutory adverts in newspapers and press releases. Documents and comments forms online and at Council Offices. The Council may also hold exhibitions, workshops or meetings and online events.

**STAGE 3: Publication of a Local Plan (Regulation 19)**

Revised planning document produced having considered comments from the previous stage. This will be the version the Council intends to submit to the Secretary of State for Examination in Public.

**Who?** General invitation to comment on whether the plan has been prepared in accordance with the Duty to Cooperate, legal and procedural requirements and whether it is sound, giving at least six weeks for people to comment.

**How?** Statutory adverts in newspapers and press releases – formal consultation for six weeks. Documents and comments forms online and at Council Offices.

**Representations on proposed submission document (Regulation 20)**

The Council will summarise the main issues raised in the consultation, but all comments received at the Regulation 19 stage will be considered by the Planning Inspector appointed on behalf of the Secretary of State.

**STAGE 4: Submission to Secretary of State**

The document will be sent to the Secretary of State who will examine the document

on its preparation in accordance with the Duty to Cooperate, legal and procedural requirements and whether it is sound. People who commented on the consultation will be advised that the document has been submitted, either by email or by post. The submission document and other associated documents/papers will be available at the Council Offices and on the Council website. The website will be kept up to date with the progress of the examination.

### **Independent Examination**

The Planning Inspector appointed on behalf of the Secretary of State will arrange hearings and consider written representations. The Inspector will normally give people who commented at Stage 3 the opportunity to attend the Examination Hearings.

### **Inspector's Report**

The Planning Inspector will submit a report to the Council containing recommendations for changes to be made to the document. This report is not binding and the Council will decide whether or not the changes should be made.

### **Consultation on Proposed Modifications**

Modifications proposed by the Inspector in order to make the plan sound are consulted on.

**Who?** General invitation and all those who submitted representations at the Publication (reg 19) stage, giving at least six weeks for people to comment.

**How?** Advertises in newspapers and press releases – formal consultation for six weeks. Documents and comments forms online and at the Council Offices.

### **Adoption**

The document will be reported to Full Council for adoption.

### **Monitoring and Review**

Adopted planning policies are reviewed regularly in the Councils Monitoring Report and may be amended as necessary depending on the findings of that report.

6.2 There are fewer stages in the process for producing Supplementary Planning Documents as there is only one formal stage of consultation, and there is no public examination. At the formal consultation stage, a draft document will be published and advertised in accordance with the Regulations. It will be made available for inspection at the Council Offices and on the website, and sent to relevant specific consultation bodies for comment.

## 7 - Neighbourhood Plans

7.1 The Localism Act gives communities powers to make their own planning proposals and decisions. This can be done by Town or Parish Councils or Community Groups, by preparing Neighbourhood Plans or Neighbourhood Development Orders.

7.2 Neighbourhood Plans can establish planning policies for the development and use of land, for example, where new homes and offices should be built, and what they should look like.

7.3 Neighbourhood Development Orders can grant planning permission for new buildings the community would like to see built, without the developer having to apply for separate planning permission.

7.4 Neighbourhood Plans or Development Orders must:

- Be generally in line with local and national planning policies
- Be in line with other laws
- Cannot be used to block the building of new homes and businesses.

7.5 The council is required to publicise neighbourhood planning documents at various stages in the process, and to carry out consultations. It will use the Council website, online consultation portal and make copies available at the Council Offices and relevant libraries (depending on the area of the document under consultation).

### ***The Key Stages in producing a Neighbourhood Plan***

| Council responsibility | Town/Parish Council/Forum responsibility |
|------------------------|--|
|                        |  |

#### **Stage 1 - Neighbourhood Area Designation**

The Town or Parish Council apply to the Council for a specific geographic area to be designated to which the Neighbourhood Plan will apply. In Thanet the Neighbourhood Area is usually the Parish or Town boundary. The Council will consult for a minimum of six weeks to ensure that people who live, work or carry on business in the area have the chance to comment. The Neighbourhood Area is then either approved or refused by the Council and the outcome publicised as required under the legislation. In areas where there is not a Town or Parish Council, those wishing to prepare a Neighbourhood Plan can

establish a Neighbourhood Forum which must have a minimum of 21 Members. They must apply to the Council to designate a forum and the Council must consult on this. Where possible, the Council will carry out consultations for a Neighbourhood Forum and a Neighbourhood Plan Area at the same time.

### **Stage 2 - Preparing the Plan**

Following the acceptance of a Neighbourhood Area, the Town or Parish Council undertakes evidence gathering and public engagement activities. This should allow as many people as possible, who will be impacted by the plan, to engage in the process. The Town or Parish Council then prepare, and consult on, a draft plan to reflect the outcomes of their local engagement (Regulation 14)

### **Stage 3 - Plan Submission**

Under Regulation 15, the Neighbourhood Plan is submitted to the Council by the Town/Parish Council.

The Plan is then publicised for a minimum of six weeks by the Council and representations are invited (Regulation 16). The Council will publish the consultation on the draft Neighbourhood Plan on its website and will publicise it within the plan area.

### **Stage 4 - Examination**

The Council appoints an independent Examiner to undertake an examination of the proposed Neighbourhood Plan to assess whether the plan meets the basic conditions and other tests within the legislation, and to consider any comments which have been received. The Examiner may then recommend modifications to the Plan if required. The Examiner then provides their report to the Council who publish the report and take the decision on whether the Neighbourhood Plan meets the Basic Conditions and should proceed to referendum. The Council will publish its decision in a Decision Statement.

### **Stage 5 - Referendum**

The community within the Neighbourhood Area (unless the Examiner considers it necessary to extend the referendum to other areas) are asked to vote for the Neighbourhood Plan in a Neighbourhood Planning Referendum organised by the Council. The Neighbourhood Plan must be considered favourably by over 50% of those who vote in order for the Council to adopt it.

## Stage 6 - Adoption

Following a positive result at Referendum, the Neighbourhood Plan is then 'made' by the Council at a full Council meeting. The Neighbourhood Plan is then part of the District's Development Plan and used by the Council in determining planning applications.

# 8 - Where to get help with a planning issue

8.1 Communities can choose to take up free advice and guidance, depending on their needs, through Locality, The Royal Town Planning Institute (Planning Aid) the National Association of Local Councils and the Campaign to Protect Rural England (Planning Help). Each organisation will use its expertise, skills and track record advising on development to empower communities to reach the full potential of producing a neighbourhood plan from start to finish. Advice is available on issues such as understanding the planning process and finding local solutions to developing clear documents and building community support.

### Locality

<https://locality.org.uk/>

**Email:** info@locality.org.uk

**Phone:** 0345 458 8336

**Assistance available:** Supports local community organisations offering specialist advice, peer learning and Neighbourhood Plan support.

### The Royal Town Planning Institute (Planning Advice)

<https://www.rtpi.org.uk/planning-advice/>

**Phone:** 020 7929 8338

**Email:** info@planningaid.rtpi.org.uk

**Assistance available:** Understanding and taking part in the planning system, commenting on planning applications, applying for planning permission, appealing against a decision, getting involved in the preparation of a Local Plan or Neighbourhood Plan

### The National Association of Local Councils

<https://www.nalc.gov.uk/>

**(Contact via Kent Association of Local Councils)**

**Phone:** 01304 820173

**Email:** [kalc@kentalc.gov.uk](mailto:kalc@kentalc.gov.uk)

**Assistance available:** Provide a national voice for Town and Parish Councils and services such as campaigning, legal, accounts and audit service

**Planning Help (Campaign to Protect Rural England)**

<https://planninghelp.cpre.org.uk>

**National contact (for issues relating to national planning policy):**

**Phone:** 020 7981 2800

**Email:** [info@cpre.org.uk](mailto:info@cpre.org.uk)

**Regional contact:**

**Phone:** 01233 714540

**Email:** [info@cprekent.org.uk](mailto:info@cprekent.org.uk)

**Assistance available:** Advice on how to comment on a planning application, how to challenge a planning decision, local plans and neighbourhood plans.

## 9 - Planning Applications and Submissions

9.1 The Council deals with a variety of applications for planning approval. It carries out notification and publicity in accordance with the relevant statutory requirements as specified in legislation in force at the time using some or all of the following:

- Site notices
- Letters to adjacent local residents/businesses
- Press advertisements – including adverts for applications which are a departure from the development plan, require an Environmental Impact Assessment or involve listed buildings or conservation areas
- Weekly list of applications and details of planning applications on the Council's website
- Applications and plans published on the website
- Specific consultation or notification with statutory and non-statutory consultees
- Notification to Parish and Town Councils

9.2 To consult neighbouring residents and businesses, the Council is required to either send letters, or display site notices detailing the proposed development. However, as the Council places a high priority on getting people's views, it uses both of these methods. Letters are sent to the adjacent neighbours and, for larger proposals, a wider area depending on the scale of the proposed development. Consultation letters invite responses to be made within 21 days of the date of the letter. Site notices are displayed near the application site inviting comments within 21 days of the date of the site notice being put up. The results of any such

consultation will be reported and taken into account in decisions made by, and on behalf of, the Council.

9.3 Where a press notice is required, the Council will place this in one of the local newspapers.

9.4 Further detailed information on consultation for different type of applications are provided in the table below:

**Table 2 - Consultation methods for different types of proposed development**

| Nature of proposed development   | Relevant legislation  | Statutory publicity   | Publicity carried out by TDC   |
|--|---|---|--|
| <p>Application accompanied by an EIA (Environmental Impact Assessment)</p> <p>Departure from the development plan</p>                          | <p>The Town and Country Planning (General Development Procedure) Order 2015</p> | <p>LPA to advertise in local press</p> <p>Site notice to be displayed for 21 days</p> <p>Website</p>  | <p>Press notice</p> <p>Website</p> <p>Site notice</p> <p>Neighbour notification to those who physically adjoin the site or wider area as appropriate</p>                                 |
| <p>Major development:(Development of more than ten dwellings, or more than 1000m<sup>2</sup> of floorspace or on a site larger than 0.5ha)</p> | <p>The Town and Country Planning (General Development Procedure) Order 2015</p> | <p>Press notice</p> <p>Site notice to be displayed for 21 days or neighbour notification</p> <p>Site notice if application affects the character or appearance of a conservation area or listed building</p> <p>Website</p> | <p>Press notice</p> <p>Website</p> <p>Site notice</p> <p>Neighbour notification to those who physically adjoin the site or wider area as appropriate</p>                                 |
| <p>Minor development:(Development of ten or less dwellings, less than 1000m<sup>2</sup> floorspace or on a site less than 0.5ha)</p>           | <p>The Town and Country Planning (General Development Procedure) Order 2015</p> | <p>Site notice to be displayed for 21 days or neighbour notification</p> <p>Site notice and press notice if application affects the character or appearance of a conservation area or listed building</p>                   | <p>Press notice if application affects the character or appearance of a conservation area or listed building or if a departure from the local plan</p> <p>Website</p> <p>Site notice</p> |

9.5 If an application is significantly amended during its consideration, the Council will send a further round of consultation letters to adjacent neighbours and to any additional people who have already written in with comments. A copy of the revised plans will also be made available on the website.

9.6 Copies of applications and accompanying plans available to view electronically at Thanet's Gateway Plus in Cecil Street, Margate and online at <https://planning.thanet.gov.uk/online-applications>. Section 106 Agreements will be made available to the public on the website.

9.7 The Council receives and handles comments sent electronically via public access on the Council's website and also post and e-mail. The Council actively encourages the use of public access for the submission of comments from all interested parties and will continue to work to increase the submission of comments electronically. The main issues arising from any comments received are summarised in planning reports. Comments received are published on the Council's website within ten working days of submission, with only personal contact details (including house number, telephone number, email addresses), signatures and special category data redacted. The Council's policy for publishing representations can be found on the council's website at [www.thanet.gov.uk](http://www.thanet.gov.uk)

9.8 Members of the public and consultees can register to track the progress of an application on our website at <https://planning.thanet.gov.uk/online-applications/>. Once a decision has been made, interested parties are able to view the decision notice on the council's website, receiving email alerts when a planning application has been decided.

9.9 The Council's Planning Committee determines some planning applications (in specific circumstances as defined by the Council's constitution) and allows public speaking in respect of those applications. Further information on how people can apply to speak at the planning committee can be found on the council's website at [www.thanet.gov.uk](http://www.thanet.gov.uk).

9.10 The Council will provide advice before a planning application is submitted – this helps people understand how a proposal is affected by planning law and policies, what information will be required when a planning application is submitted and identify any specialist surveys/reports that will be needed (eg about listed buildings, trees, noise etc). Advice will be given in writing, and a meeting can be arranged if required, and should be provided within 30 working days. Costs for pre-application advice are available on the Council's website at [www.thanet.gov.uk](http://www.thanet.gov.uk).

## 10 - Review of the SCI

10.1 The consultation procedures used by the Council detailed in this SCI will be kept under review and monitored to determine where procedures have proven unsuccessful or where revisions may be necessary to meet new circumstances. Some of this information will become apparent via the Statement of Consultation. In addition, we will assess each method of consultation we have used to see if it:

- Gave you the information you needed
- Gave us the type of feedback we needed
- Actively encouraged more people to be involved
- Involved different and appropriate types of people and organisations
- Allowed participants the opportunity to have their views heard and recorded

10.2 The Town and Country Planning (Local Planning) (England) (Amendment) Regulations 2017 require us to update the SCI every five years starting from the date of adoption.

10.3 The Government has recently published the Planning White Paper - 'Planning for the Future' which proposes significant changes to the planning system and how consultations are carried out. The next review of the SCI will reflect any changes to the planning system that have been brought into force.

# Appendix 1 – Consultation Bodies

Under the Town and Country Planning (Local Planning) (England) Regulations 2012, the Council will contact the following Statutory Consultees who are known as ‘Specific Consultation Bodies’ who **must** be consulted:

- the Coal Authority
- the Environment Agency
- the Historic Buildings and Monuments Commission for England (known as Heritage England)
- the Marine Management Organisation
- Natural England
- Network Rail Infrastructure Limited (company number 2904587)
- the Highways Agency
- a relevant authority any part of whose area is in or adjoins the local planning authority’s area (ie Canterbury City and Dover District Councils, Kent County Council, Town and Parish Councils, Kent Police/police and crime commissioner)
- any person—
  - (i) to whom the electronic communications code applies by virtue of a direction given under section 106(3)(a) of the Communications Act 2003, and
  - (ii) who owns or controls electronic communications apparatus situated in any part of the local planning authority’s area,
- if it exercises functions in any part of the local planning authority’s area—
  - (i) a Primary Care Trust established under section 18 of the National Health Service Act 2006(g) or continued in existence by virtue of that section (now the Clinical Commissioning Group);
  - (ii) a person to whom a licence has been granted under section 6(1)(b) or (c) of the Electricity Act 1989
  - iii) a person to whom a licence has been granted under section 7(2) of the Gas Act 1986);
  - (iv) a sewerage undertaker; and
  - (v) a water undertaker;
- the Homes and Communities Agency

As well as the Statutory Consultees, the Council will consult with a range of community groups and individuals (‘General Consultation Bodies’) with interests in the area. The Council maintains a database of contacts who have registered their interest in planning policy documents and who are contacted each time a new document is being consulted upon. If you wish to register your interest please register at [www.thanetcouncilplan.inconsult.uk](http://www.thanetcouncilplan.inconsult.uk).

## Appendix 2 - Privacy Statement

(To be added)
