## **Equality Act 2010 & Public Sector Equality Duty**

Members are reminded of the requirement, under the Public Sector Equality Duty (section 149 of the Equality Act 2010) to have due regard to the aims of the Duty at the time the decision is taken. The aims of the Duty are: (i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act, (ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and (iii) foster good relations between people who share a protected characteristic and people who do not share it.

Protected characteristics: age, sex, disability, race, sexual orientation, gender reassignment, religion or belief and pregnancy & maternity. Only aim (i) of the Duty applies to Marriage & civil partnership.

This report relates to the following aim of the equality duty: -  
(Delete as appropriate)

1. To eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act.
2. To advance equality of opportunity between people who share a protected characteristic and people who do not share it
3. To foster good relations between people who share a protected characteristic and people who do not share it.

No implications arise directly but the Council needs to retain a strong focus and understanding on issues of diversity amongst the local community and ensure service delivery matches these.

It was important to be aware of the Council's responsibility under the Public Sector Equality Duty (PSED) and show evidence that due consideration has been given to the equalities impact that may be brought upon communities by the decisions made by Council.

## **2.0 The Current Situation**

### Scrutiny Review Topics

- 2.1 In 2019/20 through to 2020/21, the Panel started working through the list of scrutiny review topics and agreed a prioritised list using the matrix that was established and agreed upon by Members. Whilst some of the topics would be considered through conducting reviews, others would be expedited through one off reports (where appropriate).

### **Memorial plaques and Monuments**

- 2.2 The reviewing of memorial plaques and monuments in the district was one such topic. This was given priority in order to expedite the review process and contribute to the establishment of the policy by Cabinet. However due to imminent new legislation which included new guidance on how the councils could address the issue of monuments and plaques in the district, it was not possible to continue with this work stream. On 20 April 2021, the Panel decided to temporarily halt and therefore keep in abeyance the work of the Memorial Working Party until an appropriate time.

### **Planning Enforcement Review**

- 2.3 Planning Enforcement Review: On 20 April 2021, the Panel set up the Planning Enforcement Working Party to hold one meeting and report back to the Panel on how best Scrutiny could contribute to the current review of the Planning Enforcement protocol for Thanet. reviewed the Planning Enforcement in the district at the February meeting. A meeting was scheduled for 25 June. It is hoped that the working party would draft recommendations to take to the Panel meeting on 29 July. The Panel could at this point then decide how best to feed into the review of the planning enforcement function.

- 2.6 Annex 1 details the current work programme before any new work has been added. All the scrutiny review topics that the Panel identified as ongoing work streams that would spill over into multiple municipal year periods are detailed in the Annex 2 to the report.

### **Cabinet Presentations at OSP Meetings**

- 2.7 The Panel may opt to identify specific topics that Members would wish were responded to by Portfolio Holders through Cabinet Member presentations during 2021/22. The Panel was still to engage the new Cabinet to agree on an engagement approach regarding scrutiny activities.
- 2.8 The rest of the work programme would be made up of items which would have been referred to the Panel by Cabinet.
