Corporate Implications

Financial and Value for Money

There are no financial implications arising directly from this report but elements of the suggested work programme may have financial and resource implications which would need to be managed within existing resources, or alternatively compensating savings found.

Legal

The role of scrutiny is set out in section 9F of the Local Government Act 2000. The council must also have regard to the statutory guidance on Overview and Scrutiny from the Department of Levelling Up, Housing and Communities when exercising its functions.

Corporate

The work programme should help to deliver effective policy decision making by scrutinising executive decisions before, and at times after, implementation.

The working parties assist with the work of scrutiny as they would carry-out an in-depth study of any issue referred to the groups under their terms of reference. An active Scrutiny programme is part of good governance.

Equality Act 2010 & Public Sector Equality Duty

Members are reminded of the requirement, under the Public Sector Equality Duty (section 149 of the Equality Act 2010) to have due regard to the aims of the Duty at the time the

decision is taken. The aims of the Duty are: (i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act, (ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and (iii) foster good relations between people who share a protected characteristic and people who do not share it.

Protected characteristics: age, sex, disability, race, sexual orientation, gender reassignment, religion or belief and pregnancy & maternity. Only aim (i) of the Duty applies to Marriage & civil partnership.

This report relates to the following aim of the equality duty: -

1. To eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act.
2. To advance equality of opportunity between people who share a protected characteristic and people who do not share it
3. To foster good relations between people who share a protected characteristic and people who do not share it.

No implications arise directly but the Council needs to retain a strong focus and understanding on issues of diversity amongst the local community and ensure service delivery matches these.

It was important to be aware of the Council's responsibility under the Public Sector Equality Duty (PSED) and show evidence that due consideration has been given to the equalities impact that may be brought upon communities by the decisions made by Council.

CORPORATE PRIORITIES

This report relates to Communities.

1.0 Introduction and Background

- 1.1 At each ordinary Council meeting, the Chairman of the Overview and Scrutiny Panel presents a progress update report on the activities of the Panel since the last Council meeting. This is in accordance with Council Procedure Rule 15.1 of Part 4 of the Council Constitution. The report is subject to comment or debate by members.
- 1.2 This report updates the Council on the work of the Panel since the last Council meeting and allows for discussion of the work undertaken, therefore strengthening the Council's scrutiny function.
- 1.3 This report follows on from the update report that was presented at Council on 12 January 2022.

2.0 The Current Situation

Scrutiny Review Topics

- 2.1 In 2019/20 through to 2020/21, the Panel started working through the list of scrutiny review topics and agreed a prioritised list using the matrix that was established and agreed upon by members. Whilst some of the topics would be considered through conducting reviews, others would be expedited through one off reports (where appropriate).

Coastal Waste Scrutiny Review

- 2.2 At the meeting on 26 August, the Panel set up a five member Coastal Waste Review Working party to conduct a scrutiny review of coastal waste collection practices in the district. The working party met for their first formal meeting on 6 October and agreed a work programme for conducting their review work. They identified the key stakeholders (witness groups) to talk to in order to gather evidence for their report.
- 2.3 On 21 October the working party met council senior officers from Operational Services. These included the Corporate Director of Communities and Director of Operations. They also met the Cabinet Member for Environmental Services and Special Projects. On 4 November they met representatives from parish and town councils who oversee a portion of the district's coastline. On 10 November, the working party met two more council officers from the Tourism department (the Director of Regeneration and Tourism Manager). On 15 November met a number of volunteer litter group representatives.
- 2.4 The working party was now in the process of drafting their report for presentation to the Overview and Scrutiny Panel, most likely on 15 March 2022. In the meantime, the Chair of the working party will continue to give verbal updates at Panel meetings.

Memorial Plaques and Monuments

- 2.4 The review of memorial plaques and monuments was initially prioritised in order to expedite the review of what was then a topical issue nationwide. At the time, Cabinet expressed an interest in establishing a policy for managing memorial plaques and monuments in Thanet. Cabinet approached the Panel to contribute to the establishment of that policy. However due to the anticipated new legislation which will include new guidance on how councils can address the issue of monuments and plaques, it was not possible to continue with this work stream. On 20 April 2021, the Panel put the work of the Memorial Working Party on hold until an appropriate time.
- 2.5 Annex 1 details the current work programme before any new work has been added. All the scrutiny review topics that the Panel identified as ongoing work streams that may involve work during multiple municipal year periods are detailed in Annex 2 to the report.

Cabinet Presentations at OSP Meetings

- 2.6 On 18 January 2022, the Cabinet Member for Finance made a presentation on the Budget proposals for 2022/23 that were agreed by Cabinet for recommendation to Council.
- 2.7 Councillor Jill Bayford, Cabinet Member for Housing will give a presentation on "An Overview of the Housing Services" at the Panel on 17 February 2022. This presentation will assist the Panel to decide whether to conduct a review on a topic identified in 2020/21 about the private rented sector: "How does TDC regulate private landlords and letting agencies in Thanet?"

3.0 Pre Decision Scrutiny

3.1 On 18 January the Panel reviewed the budget proposals for 2022/23 that were agreed by Cabinet. Thereafter Members then made the following recommendations back to Cabinet:

1. To allocate up to £125,000 from the New Homes Bonus allocation for the capital works required to the Ramsgate Eastcliff and Viking Bay coastal lifts to ensure they are in full working order for the foreseeable future;
2. To allocate the full remainder of the New Homes Bonus allocation as capital to provide additional in-house temporary accommodation;
3. To transfer £200,000 from the risk management reserve to a new climate risk and opportunity reserve.
