## **Corporate Priorities**

This report relates to the following corporate priorities: -

- Growth
- Environment
- Communities

## **1.0 Introduction and Background**

1.1 The primary objective of Internal Audit is to provide independent assurance to Members, the Chief Executive, Directors and the Section 151 Officer on the adequacy and effectiveness of those systems on which the Authority relies for its internal control. The purpose of bringing forward an annual report to members is to:

- Provide an opinion on the overall adequacy and effectiveness of the Council's internal control environment.
- Present a summary of the internal audit work undertaken to formulate the opinion, including reliance placed on work by other assurance bodies,
- Draw attention to any issues the Head of the Audit Partnership judges particularly relevant to the preparation of the Annual Governance Statement.
- Compare actual audit activity with that planned, and summarise the performance of Internal Audit against its performance criteria.
- Comment on compliance with the Public Sector Internal Audit Standards (PSIAS), and report the results of the Internal Audit quality assurance programme.
- Confirm annually that EKAP is organisationally independent, whether there have been any resource limitations or instances of restricted access.

1.2 The report attached as Annex 1 therefore summarises the performance of the East Kent Audit Partnership (EKAP) and the work it has performed over the financial year 2021-22 for Thanet District Council, and provides an overall opinion on the system for governance, risk management and internal control based on the audit work undertaken throughout the year, in accordance with best practice. In providing this opinion, this report supports the Annual Governance Statement.

- 1.3 The EKAP delivered 91% of the agreed audit plan days to TDC. The performance figures for the East Kent Audit Partnership as a whole for the year show good performance against the targets. It is the opinion of the Head of Audit that sufficient work has been undertaken to be able to support an opinion for 2021-22.
- 1.4 No system of control can provide absolute assurance, nor can Internal Audit give that assurance. This opinion is intended to provide assurance that there is an ongoing process for identifying, evaluating and managing the key risks.

## **2.0 Summary of Work**

- 2.1 That Members consider and note the Head of Audit opinion in the internal audit annual report.
- 2.2 That Members consider registering their comments with Cabinet in respect of any areas of the Council's corporate governance, risk management arrangements or internal control framework in respect of which they have on-going comments after considering the work or coverage of internal audit for the year 2021-22.
