Licensing Objective	Reason for Representation
Prevention of Crime & Disorder	<p>The harbour area is known for the alcohol related problems and the many times that the police are called to this area. Local residents are often bringing this to the attention of the police and local council.</p> <p>This application if successful will add to the problem.</p>

Prevention of Public Nuisance	<p>The noise created at present when people leaving bars and clubs late at night is a nuisance this application if successful will add to this.</p> <p>The pull of drinking on a barge will be too great to ignore.</p>
--------------------------------------	---

Protection of Children from Harm	<p>The original mission statement for an ART Barge described a community space for children and young people age 2-16 yrs. A community space for the benefit of mainly young disabled disadvantaged people. In recent times the empty barge was used by youths as a means of accessing the harbour and vandalism.</p>
---	---

Public Safety	<p>The idea of drink alcohol on a barge is in my opinion an accident waiting to happen. Who will police the numbers going across, we have already had people falling into the harbour or jumping.</p>
----------------------	---

Youths have already jumped onto the Cerris putting themselves at considerable risk and damaging it.

I, _____, hereby declare that all information I have submitted is true and correct.
