The aims of the Duty are: (i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act, (ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and (iii) foster good relations between people who share a protected characteristic and people who do not share it.

Protected characteristics: age, sex, disability, race, sexual orientation, gender reassignment, religion or belief and pregnancy & maternity. Only aim (i) of the Duty applies to Marriage & civil partnership.

This report relates to the following aim of the equality duty: -

- To eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act.

- To foster good relations between people who share a protected characteristic and people who do not share it.

The AGS support the public sector equality duty directly or indirectly.

1.0 Introduction and Background

- 1.1 The annual governance statement (AGS) is a statutory document which explains the processes and procedures in place to enable the council to carry out its functions effectively.
- 1.2 The statement is produced following a review of the council's governance arrangements and includes an action plan to address any significant governance issues identified.
- 1.3 The Governance and Audit Committee will consider this draft AGS and assurance gathering process. The AGS will then be audited, and the Monitoring Officer will make any necessary changes before final publication.

2.0 The Draft Annual Governance Statement (AGS)

- 2.1. The draft AGS, which is attached in Annex 1, to this report should reflect the corporate governance environment of the council as detailed in the adopted Local Code of Corporate Governance. In essence, the AGS is the formal statement that recognises, records and publishes the council's governance arrangements.
- 2.2 The AGS is a key corporate document, and the Leader and Chief Executive have joint responsibility as signatories for its accuracy and completeness. In order to ensure that the AGS accurately reflects our Governance Framework, several sources of assurance are gathered to feed into the preparation of the document. The draft will shortly be consulted with the Leader, Chief Executive / Section 151 Officer and all members of the Corporate Management Team.
- 2.3. An action plan will be developed to address the governance issues identified. This will be monitored through the council's monitoring system, and an update report will be provided to Governance and Audit Committee on a quarterly basis

3 Next Steps

- 3.1 The Annexe report attached to this report will be published once approved and signed off as part of the council's corporate governance.
