Dear Eden,

Re: Proposed Public Space Protection Order – Athelstan and Ethelbert Road

Thank you for your letter requesting a new PSPO for Cliftonville West to tackle anti social waste in Athelstan Road and Ethelbert Road.

My office has been in liaison with the Force in respect of the proposal and both the Thanet Inspector and Sergeant are supportive of the proposal and agree with the suggested terms.

Thanet CSU have been working together with council partners under the Multi-Agency Task force remit for a considerable length of time on the issues presented in this area. It is my priority that all PSPO's have a minimal impact on front line policing resources.

I agree that a PSPO is a proportionate and appropriate method of tackling these issues and safeguarding the local Community.

I provide my support of the proposed order.

Yours sincerely

Matthew Scott
