<b>Licensing Objective</b>	<b>Reason for Representation</b>
<b>Prevention of Crime &amp; Disorder</b>	

**Prevention of Public Nuisance**

I live in Arlington House for the last 8 years for the last few years since Dreamland have become a music venue, I have had to endure loud music in the late hours and then the drunken noise & behaviours after the event ends. I have PTSD & Anxiety I have problems sleeping as it is. The fact my bedroom is on the first floor at the rear facing Dreamland which takes full force of the music, and the base seems to vibrate my windows all night. I have on many occasions rang to complain to dreamland to no avail where they do not answer the phone or can't hear it. It drives me to my wits end which makes my mental health deteriorate rapidly from very little sleep to no sleep at all. So, the factor they are wanting to increase the licence till 4am scares me to the point of ending up in the mental health ward being looked after from having a major breakdown. I am fully aware of the ramifications from the outside music to late music to from inside the Dreamland venue which backs on to my home with a open courtyard the sound reverberates and is louder than you would think. I know they have sat a man in the carpark taking sound levels. The with the proposed late hours drinking it will have a long-term effect on myself & everyone that lives around the venue which I am sure you have had & seen many complaints already in the last few years from residents that live in Arlington House and surrounding areas.

**Protection of Children from Harm**

**Public Safety**

I, I Paula | \_\_\_\_\_, hereby declare that  
all information I have submitted is true and correct.
