Corporate Implications

Financial and Value for Money

Although the performance of the TLS has a direct impact on both finance and value for money, this report does not result in any specific financial implications.

Legal

There are no direct legal implications arising from this report.

Corporate

The council's agreed Corporate Statement includes a priority to improve the standards and safety in homes across all tenures.

The council's adopted tenant and leaseholder health and safety policies also include a specific commitment to report health and safety compliance information to members on a quarterly basis.

Risk Management

The regulations, by which a social housing provider must be compliant, tell us we must have good governance in place to manage landlord health and safety obligations and performance. As a council, we look to members to scrutinise and challenge the performance of the Tenant and Leaseholder Service.

The presentation of quarterly performance reports to Cabinet and OSP mitigates the risk of becoming non compliant and put under notice by the Regulator for Social Housing

Equality Act 2010 & Public Sector Equality Duty

Members are reminded of the requirement, under the Public Sector Equality Duty (section 149 of the Equality Act 2010) to have due regard to the aims of the Duty at the time the decision is taken. The aims of the Duty are: (i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act, (ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and (iii) foster good relations between people who share a protected characteristic and people who do not share it.

Protected characteristics: age, sex, disability, race, sexual orientation, gender reassignment, religion or belief and pregnancy & maternity. Only aim (i) of the Duty applies to Marriage & civil partnership.

This report relates to the following aim of the equality duty: -
(Delete as appropriate)

- To eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act.

There are not considered to be any adverse impacts for people with protected characteristics directly arising from this report. However TLS provides services to tenants and leaseholders with a range of protected characteristics and vulnerabilities.
