Corporate Implications

Financial and Value for Money

The Planning Committee is not bound to follow the advice of Officers. However, should Members decide not to accept the advice of Officers it should be mindful of the potential cost implications in doing so.

The advice from Central Government within the National Planning Practice Guidance sets out the circumstances in which costs may be awarded against either party in planning appeals. Costs may be awarded where a party has behaved unreasonably; and the unreasonable behaviour has directly caused another party to incur unnecessary or wasted expense in the appeal process. Costs may be awarded following an application by the appellant or unilaterally by the Inspector. An authority is considered to have behaved unreasonably if it does not produce evidence to substantiate each reason for refusal.

The advice outlined is that if officers' professional or technical advice is not followed, authorities will need to show reasonable planning grounds for taking a contrary decision and produce relevant evidence on appeal to support the decision in all respects. If they fail to do so, costs may be awarded against the authority. There are no funds allocated for any potential fines meaning cost awards will result in spend that is outside of the budgetary framework.

Legal

However, if officers' professional or technical advice is not followed, authorities will need to show reasonable planning grounds for taking a contrary decision.

The reasons for any decision must be formally recorded in the minutes and a copy placed on file.

If Members decide not to accept the advice of Officers it should be mindful of the potential for legal challenge and associated cost implications.

Corporate

The delivery of new housing through the Local Plan and planning applications supports the Council's priorities of supporting neighbourhoods ensuring local residents have access to good quality housing, and promoting inward investment through setting planning strategies and policies that support growth of the economy.

Equalities Act 2010 & Public Sector Equality Duty

Members are reminded of the requirement, under the Public Sector Equality Duty (section 149 of the Equality Act 2010) to have due regard to the aims of the Duty at the time the decision is taken. The aims of the Duty are: (i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act, (ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and (iii) foster good relations between people who share a protected characteristic and people who do not share it.

Protected characteristics: age, gender, disability, race, sexual orientation, gender reassignment, religion or belief and pregnancy and maternity. Only aim (i) of the Duty applies to Marriage & civil partnership.

In the opinion of the author of this report the Public Sector equality duty is not engaged or affected by this decision.

2.0 Analysis

- 2.1 The proposal relates to the plan condition attached to F/TH/22/0399 for the erection of part two storey part one storey building to accommodate 5No 1 Bed and 1No 2 bed flats following demolition of existing building with associated bin and cycle store that was brought to Planning Committee on 20th July 2022 and recommended to Members to defer and delegate for decision once the Council received a signed Unilateral Undertaking for contributions.
