## **Corporate Implications**

### **Financial and Value for Money**

There are no financial implications arising directly from this report but elements of the suggested work programme may have financial and resource implications which would need to be managed within existing resources, or alternatively compensating savings found.

### **Legal**

The role of scrutiny is set out in section 9F of the Local Government Act 2000. The council must also have regard to the statutory guidance on Overview and Scrutiny from the ministry of Housing, Communities and Local Government when exercising its functions.

### **Risk Management**

There are risks arising directly from this report.

### **Corporate**

The work programme should help to deliver effective policy decision making by scrutinising executive decisions before, and at times after, implementation.

The working parties assist with the work of scrutiny as they would carry-out an in-depth study of any issue referred to the groups under their terms of reference. An active Scrutiny programme is part of good governance.

## **Equality Act 2010 & Public Sector Equality Duty**

Members are reminded of the requirement, under the Public Sector Equality Duty (section 149 of the Equality Act 2010) to have due regard to the aims of the Duty at the time the decision is taken. The aims of the Duty are: (i) eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act, (ii) advance equality of opportunity between people who share a protected characteristic and people who do not share it, and (iii) foster good relations between people who share a protected characteristic and people who do not share it.

Protected characteristics: age, sex, disability, race, sexual orientation, gender reassignment, religion or belief and pregnancy & maternity. Only aim (i) of the Duty applies to Marriage & civil partnership.

This report relates to the following aim of the equality duty: -

1. To eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act.
2. To advance equality of opportunity between people who share a protected characteristic and people who do not share it
3. To foster good relations between people who share a protected characteristic and people who do not share it.

No implications arise directly but the Council needs to retain a strong focus and understanding on issues of diversity amongst the local community and ensure service delivery matches these.

It was important to be aware of the Council's responsibility under the Public Sector Equality Duty (PSED) and show evidence that due consideration has been given to the equalities impact that may be brought upon communities by the decisions made by Council.

## **CORPORATE PRIORITIES**

This report relates to Communities.

### **1.0 Introduction and Background**

- 1.1 This report allows the Panel to review the work programme for the period 2023/24. The work programme helps provide a framework for reporting progress regarding the activities of the Overview and Scrutiny Panel and would also provide officers with a reference point for planning appropriate levels of support for the Panel. This report follows on from the one that was considered by Members on 20 July 2023.
- 1.2 The current statutory guidance for the scrutiny function says, effective overview and scrutiny should:
  - Provide constructive 'critical friend' challenge;

- Amplify the voices and concerns of the public;
- Be led by independent people who take responsibility for their role; and
- Drive improvement in public services

1.3 With this in mind, Members may wish to ensure that the Panel work programme for the year provides opportunities for critical but constructive challenge to the Executive, articulate any concerns about matters that are the business of the council and strive for improved service delivery by the Council and other public agencies working in Thanet. Members could also consider including in the work programme matters they would like to investigate on any matter that they feel affects the welfare of the local communities.

## **2.0 THE WORK PROGRAMME**

### **Scrutiny Review Topics**

2.1 At the Panel meeting on 30 May 2023, Members put forward a number of topics and these were finalised at the July meeting. The matrix for scoring and prioritising review topics is attached as Annex 2 to the report. If the list is not progressed to completion during the current year, any remaining topics would then be carried over into the following municipal year.

2.2 The Panel agreed to investigate the following topics:

1. Impact of tourism
2. Fly tipping and abandoned vehicles;
3. Grant funding review.

2.3 They further set up the Tourism Review Working Party to conduct the review on the first topics and the membership is as follows:

- Councillor Austin;
- Councillor Britcher;
- Councillor Green;
- Councillor Kup;
- Councillor Packman

2.4 The Tourism Working party met on 24 August and agreed on their work programme which included two meetings on 12 September and 26 September to discuss issues relating to their investigation with senior officers in street cleansing, finance, neighbourhoods and coastal services.

2.5 Annex 1 is the work programme and Annex 2 is the scoring matrix table. Annex 3 is the table that reflects the distribution of the OSP work programme.

### **Cabinet Presentations at OSP Meetings**

2.6 Members requested the following cabinet member presentations:

- Members requested a presentation on the Parking Strategy.

- 2.7 Members could also identify subject items for presentation from the Forward Plan or any emerging topical issues which may have a significant public interest, where the Panel may feel that their contributions would enhance the decision making process.
- 2.8 Annex 3 shows the distribution mix of the Panel's work programme which highlights pre decision and post decision scrutiny work as well as cabinet member presentations and the work programming activities.

### **Key Decisions**

- 2.9 There was now an arrangement between Cabinet and the Overview & Scrutiny panel that all key decisions need to be reviewed by the Panel before Cabinet approved such decision decisions. This would increase the role that non cabinet members play in shaping future key decisions and strategic decisions that are being made by the Council.

## **3.0 Options**

- 3.1 Members are being asked to comment on the work programme.
- 3.2 Members may opt to make changes to the work programme particularly the scrutiny topics in annex 2 to the report.
