

Planning Committee

Minutes of the meeting held on 20 September 2023 at 7.00 pm in Council Chamber, Council Offices, Cecil Street, Margate, Kent.

Present: Councillor Helen Crittenden (Chair); Councillors Bright, Albon, J Bayford, Driver, Garner, Keen, Makinson, Matterface, Paul Moore, Rusiecki and Munns

1. APOLOGIES FOR ABSENCE

Apologies were received from Councillor Boyd who was substituted by Councillor Huxley; Councillor Rattigan who was substituted by Councillor Towing; Councillor Wing who was substituted by Councillor Munns and Councillor Dennis.

2. DECLARATIONS OF INTEREST

There were no declarations of interest.

3. MINUTES OF PREVIOUS MEETING

Councillor Albon proposed, Councillor Bayford seconded and Members agreed that the minutes of the meeting held on 16 August 2023 be approved as a correct record.

4. UPDATE FOR FH/TH/23/0138 - 54 STONE ROAD, BROADSTAIRS

PROPOSAL: Erection of two storey front and rear extensions together with 4 roof lights, front flat roof porch and first floor rear balcony and alterations to fenestration and materials

It was proposed by the Chair and seconded by the Vice-Chair:

THAT the officer's recommendation be adopted, namely:

That Members confirm that they would have granted planning permission for the application under reference FH/TH/23/0138 subject to safeguarding conditions at Annex 1, thereby raising no objection to the non-determination appeal APP/Z2260/W/23/332220.

Upon being put to the vote, the motion was declared **CARRIED**.

5. SCHEDULE OF PLANNING APPLICATIONS

The Chair informed Committee Members that any site visits would take place on the morning of 6 October 2023.

(a) **A01 F/TH/22/1058 - Land North of Telegraph Hill, Industrial Estate, Laundry Road, Ramsgate**

PROPOSAL: Erection of a warehouse building for storage and distribution purposes (Use Class B8), provision of associated vehicle parking and change of use of adjoining land to a trailer park to facilitate relocation of existing trailer park.

It was proposed by Councillor Albon and seconded by Councillor Rusiecki:

THAT the officer's recommendation be adopted, namely:

That the application be approved subject to the following conditions:

- 1) The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In accordance with Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Purchase Act 2004).

- 2) The proposed development shall be carried out in accordance with the submitted application and the approved drawings numbered 002 Revision B (received 17/11/22), 003 Revision B (received 17/11/22), 004, 005, 006, 007 (received 26/09/22), 008 (received 08/08/23) and 5947-LLB-ZZ-ZZ-DR-L-0001 Rev P02.

GROUND:

To secure the proper development of the area.

- 3) Prior to the erection of the external faces of the development hereby approved, details and manufacturer's specification of the external materials shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.

GROUND:

In the interests of visual amenity in accordance with Policy QD02 of the Thanet Local Plan.

- 4) Prior to the commencement of any development on site details to include the following shall be submitted to and approved by the Local Planning Authority and should be carried out in accordance with the approved details.
 - a. Routing of construction and delivery vehicles to / from site
 - b. Parking and turning areas for construction and delivery vehicles and site personnel
 - c. Timing of deliveries
 - d. Provision of wheel washing facilities
 - e. Any temporary traffic management / signage

f. Access arrangements

GROUND:

In the interests of highway safety and neighbouring amenity, in accordance with Policy QD03 of the Thanet Local Plan and the advice contained within the NPPF.

- 5) The development hereby permitted shall incorporate measures to prevent the discharge of surface water onto the highway.

GROUND:

In the interests of highway safety, in accordance with the advice contained within the NPPF.

- 6) The area shown on the approved drawings numbered 002 Revision B (received 17/11/22) for vehicle parking and manoeuvring areas for the trailer park area, shall be kept available for such use at all times and such land and access thereto shall be provided prior to the first use of the trailer park hereby permitted.

GROUND:

To provide satisfactory off street parking for vehicles in accordance with Policy TP06 of the Thanet Local Plan and the advice contained within the NPPF

- 7) Prior to the first occupation of the warehouse hereby approved the car parking spaces to serve the development hereby approved shall be laid out as shown on the approved proposed site plan 002 Revision B (received 17/11/22) and shall be retained free from obstruction for their intended use at all times thereafter.

GROUND:

To provide satisfactory off street parking for vehicles in accordance with Policy TP06 of the Thanet Local Plan and the advice contained within the NPPF

- 8) Prior to the first occupation of the warehouse hereby approved the provision and permanent retention of the vehicle loading/unloading and turning facilities shown on the submitted plans 1771 002 Rev B and shall be retained free from obstruction for their intended use at all times thereafter.

GROUND:

To provide satisfactory off street parking for vehicles in accordance with Policy TP06 of the Thanet Local Plan and the advice contained within the NPPF

- 9) Prior to the first occupation of the warehouse hereby approved details of secure and covered cycle parking, which shall be in the form of scale drawings; shall be submitted to and approved in writing by the Local Planning Authority.

GROUND:

To promote cycling as an alternative form of transport, in accordance with Policy TP03 and SP43 of the Thanet Local Plan.

- 10) Prior to the first use of the warehouse or trailer park, the vehicular access to the site shall be provided with visibility splays of 15 metres x 2.4 metres x 15 metres with no obstructions over 0.9 metres above carriageway level within the splays, which shall thereafter be maintained.

GROUND:

In the interest of highway safety in accordance with the advice contained within the NPPF.

- 11) Notwithstanding the details submitted with the planning application, no above ground development shall commence until full details of a scheme of hard and soft landscaping to be incorporated into the development hereby approved have been submitted to and approved in writing by the Local Planning Authority. The scheme shall include the following specific measures:

- A plan showing the location of all native trees/hedges/shrubs to be planted, details of the species mix, the number of specimens to be planted, spacing between them and their height on planting
- A plan showing the location and construction material of all hard surfacing.

The landscaping scheme shall be implemented in accordance with the approved details prior to the first occupation of any of the units hereby approved.

GROUND:

In the interests of the visual amenities of the area and to adequately integrate the development into the environment in accordance with Policies QD02 and GI04 of the Thanet Local Plan.

- 12) All hard and soft landscape works, including ecological enhancement features, shall be carried out in accordance with the approved details. The works shall be carried out prior to the first occupation/use of any part of the development, or in accordance with a programme of works to be agreed in writing with the Local Planning Authority.

Following completion of the landscape and enhancement works, photographic evidence of implementation shall be submitted to and approved in writing by the Local Planning Authority in order to verify the works have been completed in accordance with the approved plans, and to enable the full discharge of this condition. Any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously

damaged or diseased, shall be replaced in the next planting season with others of a similar size and species as those originally planted, unless written approval to any variation is provided by the Local Planning Authority. All ecological enhancement features shall thereafter be maintained.

GROUND:

In the interests of the visual amenities of the area, biodiversity enhancement, and to adequately integrate the development into the environment in accordance with Policies QD02, SP30 and GI04 of the Thanet Local Plan.

- 13) A landscape management plan (including long term design objectives), management responsibilities and maintenance schedules for all landscape areas shall be submitted to and approved in writing by the Local Planning Authority prior to the occupation of the development. The areas shall be managed in accordance with the approved landscape management plan in perpetuity.

GROUND:

In the interests of the visual amenities of the area and to adequately integrate the development into the environment in accordance with Policies QD02 and GI04 of the Thanet Local Plan.

- 14) Existing trees, shrubs and hedgerows identified for retention within the development site or existing trees growing on an adjacent site, where excavations, changes to land levels or underground works are within the crown spread, shall be protected in accordance with BS 5837 2012 using the following protective fence specification - o Chestnut paling fence 1.2m in height, to BS 1722 part 4, securely mounted on 1.7m x 7cm x 7.5cm timber posts driven firmly into the ground. The fence shall be erected below the outer most limit of the branch spread or at a distance equal to half the height of the tree, whichever is the furthest from the tree, unless otherwise agreed in writing with the Local Planning Authority. The protective fencing shall be erected before the works hereby approved or any site clearance work commences, and shall thereafter be maintained until the development has been completed. At no time during the site works shall building materials, machinery, waste, chemicals, stored or piled soil, fires or vehicles be allowed within the protective fenced area. Nothing shall be attached or fixed to any part of a retained tree and it should not be used as an anchor point. There shall be no change in the original soil level, nor trenches excavated within the protective fenced area.

GROUND:

To Protect existing trees and to adequately integrate the development into the environment, in accordance with Thanet Local Plan Policy QD02.

- 15) Prior to the installation of any external lighting associated with the approved development, a "lighting design strategy for biodiversity" for the site boundaries has been submitted to and approved in writing by the local planning authority. The lighting strategy shall Identify those areas/features on site that are particularly sensitive for badgers and

bats and that are likely to cause disturbance in or around their breeding sites and resting places or along important routes used to access key areas of their territory;

- b) Show how and where external lighting will be installed so that it can be clearly demonstrated that areas to be lit will not disturb or prevent the above species using their territory.
- c) Details of the types of lighting to be used including their fittings, illumination levels and spread of light

All external lighting shall be installed in accordance with the specifications and locations set out in the strategy and these shall be maintained thereafter in accordance with the strategy.

GROUND:

In order to limit the impact upon protected species that may be present, in accordance with Policy SP30 of the Thanet Local Plan and the advice as contained within the NPPF.

- 16) Prior to the first use of the development hereby approved, details of the number, location and design of the bat boxes which are to be installed shall be submitted to and approved in writing by the Local Planning Authority. The bird boxes shall be installed in accordance with the approved details prior to the first use of the trailer park area hereby approved and hereby retained.

GROUND:

In the interests of nature conservation in accordance with Policy SP30 of the Thanet Local Plan, and the advice as contained within the NPPF.

- 17) No development above ground level shall commence until details of Biodiversity enhancement measures to be installed as part of the development hereby approved has been submitted to and approved in writing by the Local Planning Authority. The details shall include a specification of the installations and scaled plans showing their location within the development. The approved enhancement measures shall be installed in accordance with the approved details, prior to the first use of the trailer park area hereby approved and shall be retained as such thereafter.

GROUND:

In the interests of nature conservation in accordance with Policy SP30 of the Thanet Local Plan, and the advice as contained within the NPPF.

- 18) The development shall be carried out in accordance with the no vegetation removal shall take place during the optimum period for bird nesting (March to July inclusive) unless otherwise agreed in writing with the Local Planning Authority.

GROUND:

In the interests of nature conservation in accordance with Policy SP30 of the Thanet Local Plan, and the advice as contained within the NPPF.

19)

- a. Prior to any development works the applicant (or their agents or successors in title) shall secure and have reported a programme of archaeological field evaluation works, in accordance with a specification timetable which has been submitted to and approved by the local planning authority.
- b. Following completion of archaeological evaluation works, no development shall take place until the applicant or their agents or successors in title, has secured the implementation of any safeguarding measures to ensure preservation in situ of important archaeological remains and/or further archaeological investigation and recording in accordance with a specification and timetable which has been submitted to and approved by the local planning authority.
- c. The archaeological safeguarding measures, investigation and recording shall be carried out in accordance with the agreed specification and timetable.
- d. Within 6 months of the completion of archaeological works a Post-Excavation Assessment Report shall be submitted to and approved in writing by the local planning authority. The Post-Excavation Assessment Report shall be in accordance with Kent County Council's requirements and include:
 - I. a description and assessment of the results of all archaeological investigations that have been undertaken in that part (or parts) of the development;
 - II. an Updated Project Design outlining measures to analyse and publish the findings of the archaeological investigations, together with an implementation strategy and timetable for the same;
 - III. a scheme detailing the arrangements for providing and maintaining an archaeological site archive and its deposition following completion.
- e. The measures outlined in the Post-Excavation Assessment Report shall be implemented in full and in accordance with the agreed timings.

GROUND:

To ensure that features of archaeological interest are properly examined and recorded in accordance with Policy HE01 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

- 20) No development shall take place until details of foundations designs and any other proposals involving below ground excavation have been submitted to and approved by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

GROUND:

To ensure that due regard is had to the preservation in situ of important archaeological remains.

- 21) If, during development, significant contamination is suspected or found to be present at the site, then works shall cease, and this contamination shall be fully assessed and an appropriate remediation scheme agreed with the Local Planning Authority. The approved works shall be implemented within a timetable agreed by the Local Planning Authority and shall be of such a nature as to render harmless the identified contamination given the proposed end use of the site and surrounding environment, including controlled waters.

Prior to first occupation/use and following completion of approved measures, a verification report shall be submitted to the Local Planning Authority for approval.

GROUND:

To ensure that the proposed development will not cause harm to human health or pollution of the environment, in accordance with Policy SE03 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

- 22) No infiltration of surface water drainage into the ground is permitted other than with the written consent of the Local Planning Authority. The development shall be carried out in accordance with the approved details.

GROUND:

To ensure that the development does not contribute to, or is not put at unacceptable risk from, or adversely affected by, unacceptable levels of water pollution caused by mobilised contaminants in line with paragraph 174 of the NPPF.

- 23) No development shall take place until details of the means of foul and surface water disposal, including details of the implementation, management and maintenance of any proposed Sustainable urban Drainage Systems, have been submitted to and agreed in writing by the Local Planning Authority. The detailed drainage scheme shall demonstrate that the surface water generated by this development (for all rainfall durations and intensities up to and including the climate change adjusted critical 100 year storm) can be accommodated and disposed of within the curtilage of the site without increase to flood risk on or off-site.

The drainage scheme shall also demonstrate (with reference to published guidance):

- That silt and pollutants resulting from the site use can be adequately managed to ensure there is no pollution risk to receiving waters.

- Appropriate operational, maintenance and access requirements for each drainage feature or
- SuDS component are adequately considered, including any proposed arrangements for future adoption by any public body or statutory undertaker.
- New cesspit should be fully lined with an impermeable geomembrane material and include mitigations to prevent contamination of the below lying groundwater aquifer. The surface water drainage design should include hydrocarbon treatment.
- The development shall be carried out in accordance with such details as are agreed and thereafter maintained.

GROUND:

To protect the district's groundwater, and to ensure the development is served by satisfactory arrangements for the disposal of surface water, in accordance with Policies SE04 and CC02 of the Thanet Local Plan and advice contained within the NPPF.

- 24) No building on any phase (or within an agreed implementation schedule) of the development hereby permitted shall be occupied until a Verification Report, pertaining to the surface water drainage system and prepared by a suitably competent person, has been submitted to and approved by the Local Planning Authority. The Report shall demonstrate that the drainage system constructed is consistent with that which was approved. The Report shall contain information and evidence (including photographs) of details and locations of inlets, outlets and control structures; landscape plans; full as built drawings; information pertinent to the installation of those items identified on the critical drainage assets drawing; and, the submission of an operation and maintenance manual for the sustainable drainage scheme as constructed.

GROUND:

To ensure that flood risks from development to the future users of the land and neighbouring land are minimised, together with those risks to controlled waters, property and ecological systems, and to ensure that the development as constructed is compliant with and subsequently maintained pursuant to the requirements of paragraph 165 of the National Planning Policy Framework.

Upon being put to the vote, the motion was declared **CARRIED**.

- (b) **A02 F/TH/22/1718 - Mount Pleasant Lorry Park, Tothill Street, Ramsgate**

PROPOSAL: Erection of single storey building comprising 3no. mixed use retail/cafe units (Use Classe E), provision of 2no. lorry bays and parking, together with associated landscaping.

It was proposed by Councillor Albon and seconded by Councillor Rusiecki:

THAT the officer's recommendation be adopted, namely:

That the application be approved subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In accordance with Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Purchase Act 2004).

2. The proposed development shall be carried out in accordance with the submitted application as amended by the revised plan numbered 1068-1a, received 09 June 2023; 23051/02 Rev A, and 23051/11 Rev A, received 04 August 2023; and 1068-3A Rev B, received 22 March 2023.

GROUND:

To secure the proper development of the area.

3. If, during development, significant contamination is suspected or found to be present at the site, then works shall cease, and this contamination shall be fully assessed and an appropriate remediation scheme agreed with the Local Planning Authority. The approved works shall be implemented within a timetable agreed by the Local Planning Authority and shall be of such a nature as to render harmless the identified contamination given the proposed end use of the site and surrounding environment, including controlled waters. Prior to first occupation/use and following completion of approved measures, a verification report shall be submitted to the Local Planning Authority for approval.

GROUND:

To ensure that the proposed development will not cause harm to human health or pollution of the environment, in accordance with Policy SE03 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

4. No infiltration of surface water drainage into the ground is permitted other than with the written consent of the Local Planning Authority. The development shall be carried out in accordance with the approved details.

GROUND:

To protect vulnerable groundwater resources in accordance with Policy SE04 of the Thanet Local Plan, and the advice contained within the National Planning Policy Framework.

5. Prior to the commencement of the development hereby approved, the applicant, or their agents or successors in title, shall secure the implementation of a watching brief to be undertaken by an archaeologist approved by the Local Planning Authority so that the

excavation is observed and items of interest and finds are recorded. The watching brief shall be in accordance with the Archaeological Strip, Map and Sample Excavation Report, Compiled by Canterbury Archaeological Trust Ltd, Dated October 2022.

GROUND:

To ensure that features of archaeological interest are properly examined and recorded in accordance with Policy HE01 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

6. Prior to the first use of the development hereby approved, full details of both hard and soft landscape works, to include:
 - species, size and location of new trees, shrubs, hedges and grassed areas to be planted,
 - the treatment proposed for all hard surfaced areas beyond the limits of the highway,
 - walls, fences, other means of enclosure proposed,
 - ecological enhancements to be provided within the site, shall be submitted to, and approved in writing by, the Local Planning Authority.

GROUND:

In the interests of the visual amenities of the area and to adequately integrate the development into the environment in accordance with Policies QD02 and GI04 of the Thanet Local Plan.

7. All hard and soft landscape works, including ecological enhancement features, shall be carried out in accordance with the approved details. The works shall be carried out prior to the first occupation/use of any part of the development, or in accordance with a programme of works to be agreed in writing with the Local Planning Authority. Following completion of the landscape and enhancement works, photographic evidence of implementation shall be submitted to and approved in writing by the Local Planning Authority in order to verify the works have been completed in accordance with the approved plans, and to enable the full discharge of this condition. Any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of a similar size and species as those originally planted, unless written approval to any variation is provided by the Local Planning Authority. All ecological enhancement features shall thereafter be maintained.

GROUND:

In the interests of the visual amenities of the area, biodiversity enhancement, and to adequately integrate the development into the environment in accordance with Policies QD02, SP30 and GI04 of the Thanet Local Plan.

8. A landscape management plan (including long term design objectives), management responsibilities and maintenance schedules for all

landscape areas, other than small, privately owned, domestic gardens, shall be submitted to and approved in writing by the Local Planning Authority prior to the occupation of the development or any phase of the development, whichever is the sooner, for its approved use. The amenity areas shall be managed in accordance with the approved landscape management plan in perpetuity.

GROUND:

In the interests of the visual amenities of the area and to adequately integrate the development into the environment in accordance with Policies QD02 and GI04 of the Thanet Local Plan.

9. Prior to the first use of the development hereby permitted, details of the establishment and management of the living wall shall be submitted to, and approved in writing by, the Local Planning Authority. The plan should detail how the living wall will be established and managed in the long term. The living wall, as approved, shall be provided prior to the first use of the development, and maintained in accordance with the approved plan.

GROUND:

In the interests of visual amenity and to limit the impact upon the countryside and landscape character area, in accordance with Policies QD02, SP24 and SP26 of the Thanet Local Plan.

10. Prior to the installation of any external lighting a "lighting design strategy for biodiversity" for the site boundaries has been submitted to and approved in writing by the local planning authority. The lighting strategy shall:
 - a) Identify those areas/features on site that are particularly sensitive for badgers and bats and that are likely to cause disturbance in or around their breeding sites and resting places or along important routes used to access key areas of their territory;
 - b) Show how and where external lighting will be installed so that it can be clearly demonstrated that areas to be lit will not disturb or prevent the above species using their territory.
 - c) Details of the types of lighting to be used including their fittings, illumination levels and spread of light All external lighting shall be installed in accordance with the specifications and locations set out in the strategy and these shall be maintained thereafter in accordance with the strategy.

GROUND:

In order to limit the impact upon protected species that may be present, in accordance with Policy SP30 of the Thanet Local Plan and the advice as contained within the NPPF.

11. Prior to the first use of the retail/cafe units hereby permitted, the 2no. lorry parking spaces as shown on the approved plan numbered 1068-1a, shall be provided and made operational. The lorry parking spaces shall thereafter be maintained.

GROUND:

To retain lorry parking spaces for which there is a current need, in accordance with highway safety.

12. Prior to the first use of the development hereby permitted, details of the road signage and markings directing vehicle movements in and around the site, as indicated on plan numbered 23051/02 Rev A, shall be submitted to, and approved in writing by, the Local Planning Authority. The signage shall be installed and the road markings provided in accordance with the approved details, and prior to the first use of the development.

GROUND:

In the interests of highway safety.

13. Prior to the first occupation of the development hereby approved, details of the design of the 4no. electric vehicle charging points to be provided within the site, along with their location, shall be submitted to, and approved in writing by, the Local Planning Authority, and thereafter implemented and maintained in good working order as approved.

GROUND:

To protect air quality, in accordance with Policy SE05 of the Thanet Local Plan and the advice as contained within the NPPF.

14. Prior to the first occupation of the development, the secure cycle parking facilities, as shown on approved drawing no. 1068-1a (for 4no. bikes) shall be provided and thereafter maintained.

GROUND:

To promote cycling as an alternative form of transport, in accordance with Policy TP03 and SP43 of the Thanet Local Plan.

15. Prior to the commencement of any development on site details to include the following shall be submitted to and approved by the Local Planning Authority and should be carried out in accordance with the approved details.
 - a) Routing of construction and delivery vehicles to / from site
 - b) Parking and turning areas for construction and delivery vehicles and site personnel
 - c) Timing of deliveries
 - d) Provision of wheel washing facilities
 - e) Temporary traffic management / signage
 - f) Measures to control noise affecting nearby residents
 - g) Dust control measures
 - h) Access arrangements

GROUND:

In the interests of highway safety and neighbouring amenity, in accordance with Policy QD03 of the Thanet Local Plan and the advice contained within the NPPF.

16. Prior to the first use of the retail/cafe units hereby permitted, details of the location of the 4no. parking spaces to be made available for general public use shall be submitted to and approved in writing by the Local Planning Authority. The parking spaces identified on the approved plans shall be made available for general public use prior to the first use of the development in accordance with the approved details, and not restricted to use by patrons of the proposed units hereby permitted.

GROUND:

In the interests of highway safety.

17. No development shall take place until details of the means of foul and surface water disposal, including details of the implementation, management and maintenance of any proposed Sustainable urban Drainage Systems, have been submitted to and agreed in writing by the Local Planning Authority. The development shall be carried out in accordance with such details as are agreed and thereafter maintained.

GROUND:

To protect the district's groundwater, and to ensure the development is served by satisfactory arrangements for the disposal of surface water ,in accordance with Policies SE04 and CC02 of the Thanet Local Plan and advice contained within the NPPF.

18. The development hereby approved shall be used as a mixed use retail and cafe use (use classes E(a) and (b)) and for no other purpose including any other purpose in Class E of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (outside of those permitted above), or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification.

GROUND:

To secure the proper development of the area as an acceptable departure from Policy E05 of the Thanet Local Plan.

19. Prior to the construction of the external surfaces of the development hereby approved samples the materials to be used in the construction of the building(s) shall be submitted to, and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved samples unless otherwise agreed in writing by the Local Planning Authority.

GROUND:

In the interests of visual amenity in accordance with Policy QD02 of the Thanet Local Plan.

20. Prior to the first use of the development hereby permitted, refuse storage shall be provided in the location as shown on the approved plan numbered 1068-1a, in accordance with details to be submitted to, and approved in writing by, the Local Planning Authority. The refuse storage facilities, along with the 'keep clear' hatchings and access way required to serve the collection, as shown on plan numbered 23051/11 Rev A, shall be provided prior to the first use of the development, and thereafter maintained.

GROUND:

In the interests of visual amenity, and to provide a satisfactory refuse collection to serve the development, in accordance with Policy QD02 of the Thanet Local Plan.

Upon being put to the vote, the motion was declared **CARRIED**.

(c) **A03 PN13/TH23/0004 - British Heart Foundation, 113-117 High Street, Margate**

PROPOSAL: Two storey extension at existing roof level to provide 6 no. flats.

Mr Munnelly spoke in favour of the application.

Mr Mitchell spoke against the application.

Cllr. Whitehead spoke under Council Rule 20.1.

It was proposed by the Chair and seconded by the Vice-Chair:

THAT the officer's recommendation be adopted, namely:

That the application be deferred and delegated to officers for approval subject to the submission of a signed unilateral undertaking securing the SPA contribution, and the following safeguarding conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In accordance with Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Purchase Act 2004).

2. The development hereby approved shall be carried out in accordance with the submitted drawing numbered 0543-PL_1102 received 14 February 2023 and drawings numbered 0543-PL_1104 Rev B received 9 June 2023, 0543-PL_1301 Rev B, 0543- PL_1300 Rev B, 0543-PL_1200 Rev C, 0543-PL_1103 Rev C, 543-PL 1100 Rev A and 0543-PL 1101 Rev A, received 14 July 2023.

GROUND:

To secure the proper development of the area.

3. The external materials and external finishes to be used in the development hereby approved shall be as detailed on drawing numbered 0543-PL-1200-Rev C, received 14 July 2023.

GROUND:

In the interests of visual amenity in accordance with Policy QD02 of the Thanet Local Plan.

4. The refuse storage facilities as specified upon the approved drawing numbered 0543-PL 1100 Rev A and received on 14 February 2023 shall be provided prior to the first occupation of the flats hereby approved and shall be kept available for that use at all times.

GROUND:

In the interests of the residential amenity of future occupiers of the flats in accordance with Policy QD03 of the Thanet Local Plan and the advice contained within the NPPF.

5. Prior to the first occupation of the flats hereby approved, the secure cycle parking facilities, as shown on approved drawing numbered 0543-PL 1101 Rev A, received 14 February 2023, shall be provided and thereafter maintained.

GROUND:

To promote cycling as an alternative form of transport, in accordance with Policy TP03 and SP43 of the Thanet Local Plan.

6. Prior to the commencement of any development on site details to include the following shall be submitted to and approved by the Local Planning Authority and should be carried out in accordance with the approved details.
 - a) Routing of construction and delivery vehicles to / from site
 - b) Parking and turning areas for construction and delivery vehicles and site personnel
 - c) Timing of deliveries
 - d) Provision of wheel washing facilities
 - e) Temporary traffic management / signage
 - f) Measures to control noise affecting nearby residents
 - g) Dust control measures
 - h) Access arrangements

GROUND:

In the interests of highway safety and neighbouring amenity, in accordance with Policy QD03 of the Thanet Local Plan and the advice contained within the NPPF.

Upon being put to the vote, the motion was declared **CARRIED**.

- (d) **A04 A/TH/23/0452 - Pier Head Shelter, The Harbour, Broadstairs**

PROPOSAL: Erection and display of 1No fascia sign with illuminated neon lettering (retrospective).

It was proposed by Councillor Albon and seconded by Councillor Rusiecki:

THAT the officer's recommendation be adopted, namely:

That the application be approved subject to the following conditions:

1. Any advertisements displayed, and any site used for the display of advertisements, shall be maintained in a clean and tidy condition to the reasonable satisfaction of the Local Planning Authority.

GROUND:

In pursuance with Schedule 1, Regulation 2(1) of the Town and Country Planning (Control of Advertisement) Regulations 2007.

2. Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

GROUND:

In pursuance with Schedule 1, Regulation 2(1) of the Town and Country Planning (Control of Advertisement) Regulations 2007.

3. Where an advertisement is required under these Regulations to be removed, the removal shall be carried out to the reasonable satisfaction of the Local Planning Authority.

GROUND:

In pursuance with Schedule 1, Regulation 2(1) of the Town and Country Planning (Control of Advertisement) Regulations 2007.

4. No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

GROUND:

In pursuance with Schedule 1, Regulation 2(1) of the Town and Country Planning (Control of Advertisement) Regulations 2007.

5. No advertisement shall be sited or displayed so as to obscure or hinder the ready interpretation of, any road traffic sign, railway signal or aid to navigation by water or air, or so as otherwise to render hazardous the use of any highway, railway, waterway (including any coastal waters) or aerodrome (civil or military).

GROUND:

In pursuance with Schedule 1, Regulation 2(1) of the Town and Country Planning (Control of Advertisement) Regulations 2007.

6. The intensity of the illumination of the advertisement hereby approved by this consent shall at no time exceed 150 cd/sq.m.

GROUND:

In the interest of the visual amenity of the area in accordance with Policy QD06 of the Thanet local Plan.

Upon being put to the vote, the motion was declared **CARRIED**.

(e) **A05 L/TH/23/0237 - Crumps Farm, Shuart Lane South, Birchington**

PROPOSAL: Application for Listed Building Consent for the change of use of 3No barns to 1No 5 bed and 1No 4 bed two storey semi-detached dwellings and 4No 3 bed two storey semi-detached dwellings and change of use of 2No 3 bed dwellings to 1No 3 bed dwellings with associated landscaping following demolition of menage and associated stables/storage.

Mr Esdaile spoke in favour of the application.

It was proposed by the Chair and seconded by the Vice-Chair:

THAT the officer's recommendation be adopted, namely:

That the application be approved subject to the following conditions:

1. The works hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In pursuance of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

2. Prior to the installation of any external windows and doors, joinery details at a scale of 1:5 of the windows and doors to include sections through glazing bars, frames and mouldings shall be submitted to and approved in writing by the Local Planning Authority. Such details as are approved shall be carried out concurrently with the development and fully implemented prior to the first occupation of any part of the approved development.

GROUND:

To secure a satisfactory external treatment and to safeguard the special character and appearance of the designated heritage asset in accordance with and advice contained within the National Planning Policy Framework.

3. Prior to the construction of the external surfaces of the development hereby approved samples the materials to be used in the construction of the building(s) shall be submitted to, and approved in writing by the Local Planning Authority. Development shall be carried out in

accordance with the approved samples unless otherwise agreed in writing by the Local Planning Authority.

GROUND:

In the interests of visual amenity in accordance with Policy QD02 of the Thanet Local Plan.

4. The brick bond, mortar mix and pointing techniques for the works hereby approved shall precisely match those on the existing building.

GROUND:

To secure a satisfactory external treatment and to safeguard the special character and appearance of the designated heritage asset in accordance with Policy HE03 of the Thanet Local Plan and the advice as contained within the NPPF.

5. The roof lights hereby approved shall be 'conservation style' roof lights, set flush with the roof plane.

GROUND:

To safeguard the special character and appearance of the area as a Conservation Area in accordance with Policy HE02 of the Thanet Local Plan, and advice as contained within the National Planning Policy Framework.

Upon being put to the vote, the motion was declared **CARRIED**.

(f) **D06 F/TH/23/0236 - Crumps Farm, Shuart Lane South, Birchington**

PROPOSAL: Erection of 2No 4 bed two storey detached dwellings together with change of use of 3No barns to 1No 5 bed and 1No 4 bed two storey semi-detached dwellings and 4No 3 bed two storey semi-detached dwellings and change of use of 2No 3 bed dwellings to 1No 3 bed dwellings with associated landscaping following demolition of menage and associated stables/storage.

Ms Sanlon spoke in favour of the application.

Councillor Dave Divers spoke on the behalf of St Nicholas-at-Wade with Sarre Parish Council regarding the application.

It was proposed by the Chair and seconded by the Vice-Chair:

THAT the officer's recommendation be adopted, namely:

That the application be deferred and delegated to officers for approval subject to the receipt of a legal agreement securing the contribution towards altering the speed limit in the village and safeguarding conditions, as well as the following conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In accordance with Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Purchase Act 2004).

2. The proposed development shall be carried out in accordance with the submitted application as amended by the revised drawings numbered 30216B_200, 30216B_201, 30216B_202, 30216B_203, 30216B_204, 30216B_205, 30216B_225 Rev A, 30216B_230 Rev B, 30216B_231 Rev B, 30216B_235 Rev B, 30216B_236 Rev A, 30216B_240 Rev A, 30216B_310 Rev A, 30216B_315 Rev A, 30216B_320 Rev A, 30216B_325 Rev A, 30216B_330 Rev B 30216B_335 Rev A, 30216B_415 Rev A, 30216B_420 Rev A, 30216B_425 Rev A, 30216B_430 Rev A, 30216B_435, received 14 February 2023, 30216B_105, 30216B_215 Rev B, 30216B_220 Rev B, received 03 March 2023, 30216B_210 Rev C, 30216B_410 Rev B received 18 April 2023, 05, 30216B_110 Rev G received 26 June 2023, 30216B_112 Rev G, 30216B_115 Rev D, 2203230-001 Rev B, 2203230-003 Rev A received 14 August 2023.

GROUND:

To secure the proper development of the area.

3. Prior to the installation of any external lighting a "lighting design strategy for biodiversity" for the site boundaries has been submitted to and approved in writing by the local planning authority. The lighting strategy shall
 - a) Identify those areas/features on site that are particularly sensitive for badgers and bats and that are likely to cause disturbance in or around their breeding sites and resting places or along important routes used to access key areas of their territory;
 - b) Show how and where external lighting will be installed so that it can be clearly demonstrated that areas to be lit will not disturb or prevent the above species using their territory.
 - c) Details of the types of lighting to be used including their fittings, illumination levels and spread of light All external lighting shall be installed in accordance with the specifications and locations set out in the strategy and these shall be maintained thereafter in accordance with the strategy.

GROUND:

In order to limit the impact upon protected species that may be present, in accordance with Policy SP30 of the Thanet Local Plan and the advice as contained within the NPPF.

4. Prior to the first occupation of the development hereby approved, full details of both hard and soft landscape works, to include:
 - species, size and location of new trees, shrubs, hedges and grassed areas to be planted,

- the treatment proposed for all hard surfaced areas beyond the limits of the highway,
- walls, fences, other means of enclosure proposed,
- ecological enhancements to be provided within the site shall be submitted to, and approved in writing by, the Local Planning Authority.

GROUND:

In the interests of the visual amenities of the area and to make a positive contribution to biodiversity, in accordance with Policies QD02 and SP30 of the Thanet Local Plan, and the advice as contained within the NPPF.

5. The development hereby permitted shall be completed in accordance with the submitted Bat Survey and Mitigation Strategy, KB Ecology, November 2022, received 14 February 2023.

GROUND:

In order to limit the impact upon protected species that may be present, in accordance with Policy SP30 of the Thanet Local Plan and the advice as contained within the NPPF.

6. A landscape management plan (including long term design objectives), management responsibilities and maintenance schedules for all landscape areas, other than small, privately owned, domestic gardens, shall be submitted to and approved in writing by the Local Planning Authority prior to the occupation of the development or any phase of the development, whichever is the sooner, for its approved use. The amenity areas shall be managed in accordance with the approved landscape management plan in perpetuity.

GROUND:

In the interests of the visual amenities of the area and to adequately integrate the development into the environment in accordance with Policies QD02 and GI04 of the Thanet Local Plan.

7. Prior to the commencement of any development on site details to include the following shall be submitted to and approved by the Local Planning Authority and should be carried out in accordance with the approved details.
 - a) Routing of construction and delivery vehicles to / from site
 - b) Parking and turning areas for construction and delivery vehicles and site personnel
 - c) Timing of deliveries
 - d) Provision of wheel washing facilities
 - e) Temporary traffic management / signage
 - f) Measures to control noise affecting nearby residents
 - g) Dust control measures
 - h) Access arrangements

GROUND:

In the interests of highway safety and neighbouring amenity, in accordance with Policy QD03 of the Thanet Local Plan and the advice contained within the NPPF.

8. No development shall commence until a site characterisation and remediation scheme has been submitted to and approved in writing by the Local Planning Authority and the remediation scheme has been implemented in accordance with the approved details. The site characterisation, remediation scheme and implementation of the approved remediation scheme shall be carried out in accordance with the following criteria (a) Site Characterisation An investigation and risk assessment, in addition to any assessment provided with the planning application, shall be completed in accordance with a scheme to assess the nature and extent of any contamination on the site, whether or not it originates on the site. The contents of the scheme are subject to the approval in writing of the Local Planning Authority. The investigation and risk assessment shall be undertaken by competent persons and a written report of the findings shall be submitted to and approved in writing by the Local Planning Authority, and shall include o A survey of the extent, scale and nature of contamination
- An assessment of the potential risks to
 - Human health
 - Property
 - Adjoining land
 - Groundwaters and surface waters
 - Ecological system
 - An appraisal of remedial options and a recommendation of the preferred options

The site characterisation report shall be conducted in accordance with British Standards and current DEFRA and Environment Agency best practice.(b) Submission of remediation scheme A detailed remediation scheme to bring the site to a condition suitable for the intended use by removing unacceptable risks to human health, buildings and other property and the natural and historical environment must be prepared, and shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall include all works to be undertaken, proposed remediation objectives and remediation criteria, a timetable of works and site management procedures. The scheme shall ensure that the site cannot be considered as contaminated land under Part 2A of the Environmental Protection Act 1990 in relation to the intended use of the land after remediation.(c) Implementation of Approved Remediation Scheme The approved remediation scheme shall be carried out in accordance with its terms prior to the commencement of the development other than that required to carry out remediation. The Local Planning Authority shall be given two weeks written notification of commencement of the remediation scheme works. Following completion of measures identified in the approved remediation scheme, a verification report that demonstrates the effectiveness of the remediation carried out shall be submitted to and approved in writing by the Local Planning Authority.

GROUND:

To ensure that the proposed site investigation, remediation and development will not cause harm to human health or pollution of the environment, in accordance with Policy SE03 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

9. If, during development, significant contamination is suspected or found to be present at the site, then works shall cease, and this contamination shall be fully assessed and an appropriate remediation scheme agreed with the Local Planning Authority. The approved works shall be implemented within a timetable agreed by the Local Planning Authority and shall be of such a nature as to render harmless the identified contamination given the proposed end use of the site and surrounding environment, including controlled waters. Prior to first occupation/use and following completion of approved measures, a verification report shall be submitted to the Local Planning Authority for approval.

GROUND:

To ensure that the proposed development will not cause harm to human health or pollution of the environment, in accordance with Policy SE03 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

10. Prior to the commencement of development hereby approved an arboricultural method statement shall be submitted to and approved by the Local Planning Authority and should be carried out in accordance with the approved details.

GROUND:

To protect existing trees and to adequately integrate the development into the environment, in accordance with Thanet Local Plan Policy QD02.

11. All hard and soft landscape works, including ecological enhancement features, shall be carried out in accordance with the approved details. The works shall be carried out prior to the first occupation/use of any part of the development, or in accordance with a programme of works to be agreed in writing with the Local Planning Authority. Following completion of the landscape and enhancement works, photographic evidence of implementation shall be submitted to and approved in writing by the Local Planning Authority in order to verify the works have been completed in accordance with the approved plans, and to enable the full discharge of this condition. Any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of a similar size and species as those originally planted, unless written approval to any variation is provided by the Local Planning Authority. All ecological enhancement features shall thereafter be maintained.

GROUND:

In the interests of the visual amenities of the area, biodiversity enhancement, and to adequately integrate the development into the environment in accordance with Policies QD02, SP30 and GI04 of the Thanet Local Plan.

12. No development shall take place until a detailed sustainable surface water drainage scheme for the site has been submitted to (and approved in writing by) the local planning authority. The detailed drainage scheme shall demonstrate that the surface water generated by this development (for all rainfall durations and intensities up to and including the climate change adjusted critical 100 year storm) can be accommodated and disposed of within the curtilage of the site without increase to flood risk on or off-site. The drainage scheme shall also demonstrate that silt and pollutants resulting from the site use and construction can be adequately managed to ensure there is no pollution risk to receiving waters.

GROUND:

To ensure the development is served by satisfactory arrangements for the disposal of surface water and to ensure that the development does not exacerbate the risk of on/off site flooding, in accordance with Policy CC02 of the Thanet Local Plan and advice contained within the NPPF.

13. No building on any phase (or within an agreed implementation schedule) of the development hereby permitted shall be occupied until a Verification Report for that phase, pertaining to the surface water drainage system and prepared by a suitably competent person, has been submitted to and approved by the Local Planning Authority. The Report shall demonstrate the suitable modelled operation of the drainage system where the system constructed is different to that approved. The Report shall contain information and evidence (including photographs) of details and locations of inlets, outlets and control structures; landscape plans; full as built drawings; information pertinent to the installation of those items identified on the critical drainage assets drawing; and, the submission of an operation and maintenance manual for the sustainable drainage scheme as constructed.

GROUND:

To ensure the development is served by satisfactory arrangements for the disposal of surface water and to ensure that the development does not exacerbate the risk of on/off site flooding, in accordance with Policy CC02 of the Thanet Local Plan and advice contained within the NPPF.

14. No development shall take place until the applicant, or their agents or successors in title, has secured the implementation of a programme of archaeological work in accordance with a written specification and timetable which has been submitted to and approved by the Local Planning Authority.

GROUND:

To ensure that features of archaeological interest are properly examined and recorded in accordance with Policy HE01 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

15. Prior to the construction of the external surfaces of the development hereby approved samples of the materials to be used shall be submitted to, and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved samples unless otherwise agreed in writing by the Local Planning Authority.

GROUND:

To safeguard the special character and appearance of the area as a Conservation Area in accordance with Policy HE02 of the Thanet Local Plan and the advice as contained within the NPPF.

16. Prior to the installation of any external windows and doors, joinery details at a scale of 1:5 of the windows and doors to include sections through glazing bars, frames and mouldings shall be submitted to and approved in writing by the Local Planning Authority. Such details as are approved shall be carried out concurrently with the development and fully implemented prior to the first occupation of any part of the approved development.

GROUND:

To secure a satisfactory external treatment and to safeguard the special character and appearance of the designated heritage asset in accordance with and advice contained within the National Planning Policy Framework.

17. The roof lights hereby approved shall be 'conservation style' roof lights, set flush with the roof plane.

GROUND:

To safeguard the special character and appearance of the area as a Conservation Area in accordance with Policy HE02 of the Thanet Local Plan, and advice as contained within the National Planning Policy Framework.

18. Prior to the installation of all external meter boxes/cupboards details of materials and design of the meter cupboards shall be submitted to and approved in writing by the Local Planning Authority and installed accordingly.

GROUND:

To safeguard the special character and appearance of the area as a Conservation Area in accordance with Policy HE02 of the Thanet Local Plan and the advice as contained within the NPPF.

19. No further alterations, extensions, alterations/additions to the roof, porches, outbuildings, hard surfacing, chimney/flues or microwave antenna shall be carried out to the dwellings hereby approved whether approved by Schedule 2, Part 1, Classes A, B, C, D, E, F, G or H of the

Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order), shall be carried out without the prior permission in writing of the Local Planning Authority.

GROUND:

To safeguard the significance of the adjacent Listed Buildings, Conservation area and the visual amenities of the area in accordance with Policies HE02, HE03 and QD02 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

20. Prior to the first use of the site hereby permitted, the vehicular access and associated vehicle crossing point onto the highway, as shown on the approved plan numbered 30216B_110 Rev G and 2203230-001 Rev B should be completed and made operational.

GROUND:

In the interests of highway safety, in accordance with the advice contained within the NPPF.

21. The development hereby permitted shall incorporate measures to prevent the discharge of surface water onto the highway.

GROUND:

In the interests of highway safety, in accordance with the advice contained within the NPPF.

22. Prior to the first occupation of the development hereby approved, details of the design of the electric vehicle charging points, to be located as shown on the approved plan numbered 30216B_110 Rev G shall be submitted to, and approved in writing by, the Local Planning Authority, and thereafter implemented and maintained as approved.

GROUND:

To protect air quality, in accordance with Policy SP14 of the Thanet Local Plan and the advice as contained within the NPPF.

23. Prior to the first occupation of the development, the area shown on approved plan 30216B_110 Rev G for the parking and manoeuvring of vehicles shall be operational. The area approved shall thereafter be maintained for that purpose.

GROUND:

To provide satisfactory off street parking for vehicles in accordance with Policy TP06 of the Thanet Local Plan and the advice contained within the NPPF.

24. Prior to the first occupation of the development, the secure cycle parking facilities, as shown on approved drawing no. 30216B_110 Rev G shall be provided and thereafter maintained.

GROUND:

To promote cycling as an alternative form of transport, in accordance with Policy TP03 and SP43 of the Thanet Local Plan.

25. Prior to the first occupation of the development, the refuse storage and collections points, as shown on approved drawing no. 30216B_110 Rev G shall be provided and thereafter maintained.

GROUND:

In the interests of visual amenity in accordance with Policy QD02 of the Thanet Local Plan.

26. The development hereby permitted shall be constructed to a high standard of energy efficiency to the equivalent of Level 4 of the Code for Sustainable Homes, unless otherwise agreed in writing by the Local Planning Authority.

GROUND:

All new buildings and conversions of existing buildings must be designed to reduce emissions of greenhouse gases and have resilience to function in a changing climate, in accordance with Policy QD01 of the Thanet Local Plan.

27. The development hereby permitted shall be constructed in order to meet the required technical standard for water efficiency of 110litres/person/day, thereby Part G2 Part 36 (2b) of Schedule 1 Regulation 36 to the Building Regulations 2010, as amended, applies.

GROUND:

Thanet is within a water stress area as identified by the Environment Agency, and therefore new developments will be expected to meet the water efficiency optional requirement of 110litre /person/day, in accordance with Policy QD04 of the Thanet Local Plan.

28. Prior to the first occupation of the development hereby permitted, the footpath along the boundary of the site with Shuart Lane, as shown on the approved plan numbered 30216B_110 Rev G should be completed and made operational.

GROUND:

In the interests of highway safety, in accordance with the advice contained within the NPPF.

29. Prior to the first occupation of the development hereby approved visibility splays shown on the submitted plans 2203230-001 Rev B shall be provided with no obstructions over 1.05m above carriageway level within the splays, which shall thereafter be maintained.

GROUND:

In the interest of highway safety in accordance with the advice contained within the NPPF.

30. Prior to the first occupation of the dwelling the following works between the dwelling and the adopted highway shall be complete
- a) Footways and/or footpaths, with the exception of the wearing course;
 - b) Carriageways, with the exception of the wearing course but including a turning facility, highway drainage, visibility splays, street lighting, street nameplates and highway structures (if any).

GROUND:

In the interests of highway safety, and the living conditions of future occupants, in accordance with Policy QD03 of the Thanet Local Plan, and advice as contained within the NPPF.

Upon being put to the vote, the motion was declared **CARRIED**.

- (g) **D07 F/TH/23/0266 - Land to the North of Fairlawn Road and West of Northwood Road, Broadstairs**

PROPOSAL: Erection of 2no. 2-storey 2-bed dwellings and 1no. 2-storey 4-bed dwelling, the erection of a detached double garage, together with associated access, parking and landscaping.

It was proposed by the Chair and seconded by the Vice-Chair:

THAT the officer's recommendation be adopted, namely:

That the application be deferred and delegated to officers for approval, subject to receipt of a signed unilateral undertaking securing the SPA contribution and safeguarding conditions, as well as the following conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In accordance with Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Purchase Act 2004).

2. The proposed development shall be carried out in accordance with the submitted application as amended by the revised drawings numbered 167_013.PL3.1, 167_010.PL3.1, and 167_100.PL3.3, received 11 August 2023; revised drawings numbered 167_006.PL3.2, 167_020.PL3, 167_030.PL3, 167_031.PL3, 167_101.PL3.1, and 167_103.PL3.2, received 10 August 2023.

GROUND:

To secure the proper development of the area.

3. No development shall take place until the applicant, or their agents or successors in title, has secured the implementation of a programme of archaeological work in accordance with a written specification and

timetable which has been submitted to and approved by the Local Planning Authority.

GROUND:

To ensure that features of archaeological interest are properly examined and recorded in accordance with Policy HE01 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

4. From the commencement of works (including site clearance), all precautionary mitigation measures for hedgehogs will be carried in accordance with the details in sections 10 of the Preliminary Ecological Appraisal (Native Ecology October 2020).
5. Prior to the installation of any external lighting a "lighting design strategy for biodiversity" for the site boundaries has been submitted to and approved in writing by the local planning authority. The lighting strategy shall
 - a) Identify those areas/features on site that are particularly sensitive for badgers and bats and that are likely to cause disturbance in or around their breeding sites and resting places or along important routes used to access key areas of their territory;
 - b) Show how and where external lighting will be installed so that it can be clearly demonstrated that areas to be lit will not disturb or prevent the above species using their territory.
 - c) Details of the types of lighting to be used including their fittings, illumination levels and spread of light All external lighting shall be installed in accordance with the specifications and locations set out in the strategy and these shall be maintained thereafter in accordance with the strategy.

GROUND:

In order to limit the impact upon protected species that may be present, in accordance with Policy SP30 of the Thanet Local Plan and the advice as contained within the NPPF.

6. Prior to the first occupation of the development hereby approved, full details of both hard and soft landscape works, to include:
 - species, size and location of new trees, shrubs, hedges and grassed areas to be planted,
 - the retention of the mature hedgerow along the southern boundary of the site,
 - the treatment proposed for all hard surfaced areas beyond the limits of the highway,
 - walls, fences, other means of enclosure proposed,
 - ecological enhancements to be provided within the site;

shall be submitted to, and approved in writing by, the Local Planning Authority.

GROUND:

In the interests of the visual amenities of the area and to make a positive contribution to biodiversity, in accordance with Policies QD02 and SP30 of the Thanet Local Plan, and the advice as contained within the NPPF.

7. All hard and soft landscape works shall be carried out in accordance with the approved hard and soft landscaping plans. The works shall be carried out prior to the first occupation; of any part of the development, or in accordance with a programme of works to be agreed in writing with the Local Planning Authority. Any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of a similar size and species.

GROUND:

In the interests of the visual amenities of the area and to adequately integrate the development into the environment in accordance with Policies QD02 and GI04 of the Thanet Local Plan.

8. Existing trees, shrubs and hedgerows identified for retention within the development site or existing trees growing on an adjacent site, where excavations, changes to land levels or underground works are within the crown spread, shall be protected in accordance with BS 5837 2012 using the following protective fence specification - o Chestnut paling fence 1.2m in height, to BS 1722 part 4, securely mounted on 1.7m x 7cm x 7.5cm timber posts driven firmly into the ground. The fence shall be erected below the outer most limit of the branch spread or at a distance equal to half the height of the tree, whichever is the furthest from the tree, unless otherwise agreed in writing with the Local Planning Authority. The protective fencing shall be erected before the works hereby approved or any site clearance work commences, and shall thereafter be maintained until the development has been completed. At no time during the site works shall building materials, machinery, waste, chemicals, stored or piled soil, fires or vehicles be allowed within the protective fenced area. Nothing shall be attached or fixed to any part of a retained tree and it should not be used as an anchor point. There shall be no change in the original soil level, nor trenches excavated within the protective fenced area.

GROUND:

To Protect existing trees and to adequately integrate the development into the environment, in accordance with Thanet Local Plan Policy QD02.

9. Prior to the commencement of the development hereby approved, a scheme to demonstrate that the internal noise levels within the residential units and the external noise levels in back gardens and other relevant amenity areas will conform to the standard identified by BS 8233 2014 Sound Insulation and Noise Reduction for Buildings - Code of Practice, shall be submitted to and approved in writing by the Local Planning Authority. The work specified in the approved scheme shall then be carried out in accordance with the approved details prior to occupation of the premises and be retained thereafter.

GROUND:

In the interests of amenity for future occupiers in accordance with Policy QD03 of the Thanet Local Plan and the advice contained within the NPPF.

10. Prior to the commencement of any development on site details to include the following shall be submitted to and approved by the Local Planning Authority and should be carried out in accordance with the approved details.
 - a) Routing of construction and delivery vehicles to/from site,
 - b) Parking and turning areas for construction and delivery vehicles and site personnel
 - c) Timing of deliveries
 - d) Provision of wheel washing facilities
 - e) Temporary traffic management / signage
 - f) Measures to control noise affecting nearby residents
 - g) Dust control measures
 - h) Access arrangements

GROUND:

In the interests of highway safety and neighbouring amenity, in accordance with Policy QD03 of the Thanet Local Plan and the advice contained within the NPPF.

11. Prior to the first occupation of the development, the area shown on plan numbered 167_006.PL3.2 for the parking of vehicles shall be operational. The area approved shall thereafter be maintained for that purpose.

GROUND:

To provide satisfactory off street parking for vehicles in accordance with Policy TP06 of the Thanet Local Plan and the advice contained within the NPPF.

12. Prior to the installation of the boundary treatment to the northern boundary of the site, details of the height, design and materials of the boundary (which may include a retaining wall), shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved boundary details.

GROUND:

In the interests of visual amenity in accordance with Policy QD02 of the Thanet Local Plan.

13. The refuse storage facilities as specified upon the approved drawing numbered 167_006.PL3.2 shall be provided prior to the first occupation of the dwellings hereby approved and shall be kept available for that use at all times.

GROUND:

To safeguard the residential amenities currently enjoyed by the occupiers of nearby residential properties in accordance with Policy QD03 of the Thanet Local Plan.

14. The development hereby permitted shall be constructed to a high standard of energy efficiency to the equivalent of Level 4 of the Code for Sustainable Homes, unless otherwise agreed in writing by the Local Planning Authority.

GROUND:

All new buildings and conversions of existing buildings must be designed to reduce emissions of greenhouse gases and have resilience to function in a changing climate, in accordance with Policy QD01 of the Thanet Local Plan.

15. The development hereby permitted shall be constructed in order to meet the required technical standard for water efficiency of 110litres/person/day, thereby Part G2 Part 36 (2b) of Schedule 1 Regulation 36 to the Building Regulations 2010, as amended, applies.

GROUND:

Thanet is within a water stress area as identified by the Environment Agency, and therefore new developments will be expected to meet the water efficiency optional requirement of 110litre /person/day, in accordance with Policy QD04 of the Thanet Local Plan.

16. Prior to the first occupation of the dwellings hereby permitted a sprinkler system shall be installed within the dwellings, as agreed by the agent in correspondence received 10 August 2023. The sprinkler system shall be made operational and thereafter maintained.
