Where a CSO waiver application has been fully approved this will “cover off” increases in contract value as long as, any subsequent increase/s does not take the contract value over the “value threshold” that the original waiver application was approved for i.e. value threshold £10,000-£99,999.99 applied, therefore, if the value increased over this threshold, say to £101,000 a new waiver application would need to be sought.
