The Council Tax Base Calculation for 2024-25

Council Tax Base = A x B:

- v) E is a factor to take into account any premiums, if any, to which the Council Tax payable was subject to that band, estimated in accordance with the regulations at 30th November 2012
- vi) J is the estimated adjustments due to change in the number of dwellings, exemptions and discounts
- vii) Z is the total amount that the authority estimates will be applied in relation to the authorities Council Tax Reduction scheme in relation to the band, expressed as an equivalent number of chargeable dwellings in the band
- viii) F is the number which is the proportion of dwellings in that band
- ix) G is the number that, in that proportion, is applicable to dwellings in band D
