

Planning Committee

Minutes of the meeting held on 17 January 2024 at 7.00 pm in Council Chamber, Council Offices, Cecil Street, Margate, Kent.

Present: Councillor Helen Crittenden (Chair); Councillors Bright, Albon, J Bayford, Boyd, Garner, Keen, Makinson, Matterface, Paul Moore, Rusiecki and Wing

In Attendance: Councillors Britcher, Munns and Pope

1. **APOLOGIES FOR ABSENCE**

Apologies were received from Councillor Driver, who was substituted by Councillor Everitt, and from Councillor Rattigan.

The Chair informed the meeting that due to technical issues the meeting would not be livestreamed.

2. **DECLARATIONS OF INTEREST**

There were no declarations of interest.

Councillor Everitt made known his intention to recuse himself from the Committee for items 5G (D07 - Land at Staner Court, Manston Road, Ramsgate) and 5H (D08 - Garage Blocks at Tomlin Drive, Margate) on the basis that, as Leader of the Council, he should not be involved in the Committee's decision making on these specific applications.

3. **MINUTES OF PREVIOUS MEETING (13/12/2023)**

Councillor Albon proposed, Councillor Moore seconded and Members agreed that the minutes of the meeting held on 13 December 2023 be approved as a correct record.

4. **MINUTES OF PREVIOUS MEETING (19/12/2023)**

The Chair informed the Committee that an amendment to the minutes needed to be acknowledged as following Item 3A, the minutes should have included the following:

"There was a pause in the meeting proceedings in order for officers to advise a Member that they were not permitted to attend as a substitute because they were not on the reserve list of Planning Committee Members. The Member left the meeting and the Chair then advised the Committee the reasons for the pause in the meeting proceedings.

Thereafter the meeting resumed and the Committee went into debate."

Councillor Matterface proposed, Councillor Moore seconded and Members agreed that the minutes of the meeting held on 19 December 2023 be approved as a correct record, subject to amendment proposed above.

5. **SCHEDULE OF PLANNING APPLICATIONS**

The Chair informed Committee Members that any site visits would take place on the morning of 2 February 2024.

(f) **A01 F/TH/23/1359 - Domus (Formerly Plot 10 of Land Adjacent to Clifftop) North Foreland Avenue, Broadstairs**

PROPOSAL: Erection of four storey 5 bed detached dwelling (part retrospective).

Mr Hynes spoke against the application.

It was proposed by the Chair and seconded by the Vice-Chair:

THAT the officer's recommendation be adopted, namely that the application be approved subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In accordance with Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Purchase Act 2004).

2. The development hereby approved shall be carried out in accordance with the submitted drawings numbered 19-004-45C, 19-004-46E, 47A and 49.

GROUND:

To secure the proper development of the area.

3. If, during development, significant contamination is suspected or found to be present at the site, then works shall cease, and this contamination shall be fully assessed and an appropriate remediation scheme agreed with the Local Planning Authority. The approved works shall be implemented within a timetable agreed by the Local Planning Authority and shall be of such a nature as to render harmless the identified contamination given the proposed end use of the site and surrounding environment, including controlled waters. Prior to first occupation/use and following completion of approved measures, a verification report shall be submitted to the Local Planning Authority for approval.

GROUND:

To ensure that the proposed development will not cause harm to human health or pollution of the environment, in accordance with DEFRA and

Environment Agency document Model Procedures for the Management of Land Contamination (Contamination Report 11) and National Planning Policy Framework.

4. The construction of the development hereby permitted shall incorporate measures to prevent the discharge of surface water onto the highway.

GROUND:

In the interests of highway safety.

5. The area shown on the approved plans for vehicle parking and manoeuvring areas, shall be kept available for such use at all times and such land and access thereto shall be provided prior to the first occupation of the dwelling hereby permitted.

GROUND:

In the interests of highway safety.

6. Prior to the first occupation of the development hereby approved visibility splays of 2.4 by 25m shall be provided to the access on to North Foreland Avenue with no obstructions over 0.6m above carriageway level within the splays, which shall thereafter be maintained.

GROUND:

In the interests of highway safety.

7. The development hereby approved shall incorporate a bound surface material for the first 5 metres of the access from the edge of the highway.

GROUND:

In the interests of highway safety.

8. Prior to the installation of any external lighting, full details of the external lighting, including their fittings, illumination levels and spread of light shall be submitted to, and approved in writing by, the Local Planning Authority. The lighting installation shall then be carried out in accordance with the approved details.

GROUND:

To ensure that light pollution is minimised in the interest of the visual and residential amenities of the area, in accordance with Policies QD03 and SE08 of the Thanet Local Plan.

9. Prior to the first occupation of the development hereby approved, full details of both hard and soft landscape works, to include:
 - species, size and location of new trees, shrubs, hedges and grassed areas to be planted.

- the treatment proposed for all hard surfaced areas beyond the limits of the highway.
- walls, fences, other means of enclosure proposed.

Ecological Enhancements shall be submitted to, and approved in writing by, the Local Planning Authority. All hard and soft landscape works shall be carried out in accordance with the approved details. The works shall be carried out prior to the first occupation; of any part of the development, or in accordance with a programme of works to be agreed in writing with the Local Planning Authority. Any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of a similar size and species.

GROUND:

In the interests of the visual amenities of the area and to adequately integrate the development into the environment in accordance with Policies SP30 and QD02 of the Thanet Local Plan.

10. The development hereby permitted shall be constructed to a high standard of energy efficiency to the equivalent of Level 4 of the Code for Sustainable Homes, unless otherwise agreed in writing with the Local Planning Authority.

GROUND:

All new buildings and conversions of existing buildings must be designed to reduce emissions of greenhouse gases and have resilience to function in a changing climate, in accordance with Policy QD01 of the Thanet Local Plan.

11. The development hereby permitted shall be constructed in order to meet the required technical standard for water efficiency of 110 litres/person/day, thereby Part G2 Part 36 (2b) of Schedule 1 Regulation 36 to the Building Regulations 2010, as amended, applies.

GROUND:

Thanet is within a water stress area as identified by the Environment Agency, and therefore new developments will be expected to meet the water efficiency optional requirement of 110 litres /person/day, in accordance with Policy QD04 of the Thanet Local Plan.

12. Prior to the construction of the external surfaces of the development hereby approved samples of the materials to be used shall be submitted to, and approved in writing by, the Local Planning Authority. Development shall be carried out in accordance with the approved samples.

GROUND:

In the interests of visual amenity in accordance with Policy QD02 of the Thanet Local Plan.

13. The first floor windows in the northern and southern elevations hereby approved shall be provided with non opening obscured glass to a minimum level of obscurity to conform to Pilkington Glass level 4 or equivalent and the second floor lounge window in the northern elevation shall be provided with obscured glass to a minimum level of obscurity to conform to Pilkington Glass level 4 or equivalent. All windows shall be installed as detailed in this condition prior to first occupation of the development hereby permitted and permanently retained thereafter.

GROUND:

To safeguard the privacy and amenities currently enjoyed by the occupiers of adjoining residential properties in accordance with policy QD03 of the Thanet Local Plan.

14. Prior to the occupation of the development hereby permitted the privacy screens shown on the approved plans 45C and 46E shall be installed and thereafter permanently retained.

GROUND:

To safeguard the privacy and amenities currently enjoyed by the occupiers of adjoining residential properties in accordance with policy D1 of the Thanet Local Plan.

Following discussion, The Chair proposed, the Vice Chair seconded and Members agreed that the original motion for approval be withdrawn.

The Chair proposed, Councillor Albon seconded and Members agreed that a site visit be carried out on 2 February 2024 and for the item to be brought back to the next Planning Committee meeting.

- (f) **D06 OL/TH/22/0499 - Land on the East Side of Tivoli Park Avenue, Margate**

PROPOSAL: Outline application for the erection of 4No detached 4 bed dwellings including access, layout and landscaping.

Mrs Garfield spoke against the application.

It was proposed by the Chair and seconded by the Vice-Chair:

THAT the officer's recommendation be adopted, namely that the application be deferred and delegated to officers for approval subject to the following conditions:

1. Approval of the details of the scale and appearance of any buildings to be erected (hereinafter called 'the reserved matters') shall be obtained from the Local Planning Authority in writing before any development is commenced.

GROUND:

As no such details have been submitted.

2. Plans and particulars of the reserved matters referred to in Condition 1 above, shall be submitted in writing to the Local Planning Authority and shall be carried out as approved.

GROUND:

In accordance with Section 92(2) of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

3. Application for approval of the reserved matters shall be made to the Local Planning Authority before the expiration of 3 years from the date of this permission.

GROUND:

In accordance with Section 92(2) of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

4. The development hereby permitted shall be begun before the expiration of 2 years from the date of approval of the last of the reserved matters to be approved.

GROUND:

In accordance with Section 92(2) of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

5. To assess and mitigate the impacts of development on significant archaeological remains:
 - A. Prior to any development works the applicant (or their agents or successors in title) shall secure and have reported a programme of archaeological field evaluation works, in accordance with a specification and written timetable which has been submitted to and approved by the local planning authority.
 - B. Following completion of archaeological evaluation works, no development shall take place until the applicant or their agents or successors in title, has secured the implementation of any safeguarding measures to ensure preservation in situ of important archaeological remains and/or further archaeological investigation and recording in accordance with a specification and timetable which has been submitted to and approved by the local planning authority.
 - C. Any agreed archaeological safeguarding measures, investigation and recording shall be carried out in accordance with the agreed specification and timetable.
 - D. Within 6 months of the completion of any agreed archaeological works a Post-Excavation Assessment Report shall be submitted to and approved in writing by the local planning authority. The Post-

Excavation Assessment Report shall be in accordance with Kent County Council's requirements and include:

- a) a description and assessment of the results of all archaeological investigations that have been undertaken in that part (or parts) of the development;
 - b) an Updated Project Design outlining measures to analyse and publish the findings of the archaeological investigations, together with an implementation strategy and timetable for the same;
 - c) a scheme detailing the arrangements for providing and maintaining an archaeological site archive and its deposition following completion.
- E. The measures outlined in the Post-Excavation Assessment Report shall be implemented in full and in accordance with the agreed timings.

GROUND:

To ensure that features of archaeological interest are properly examined and recorded in accordance with policies in the Local Plan and the National Planning Policy Framework.

- 6. No development shall take place until details of the means of foul and surface water disposal, including details of the implementation, management and maintenance of any proposed Sustainable urban Drainage Systems, have been submitted to and agreed in writing by the Local Planning Authority. The development shall be carried out in accordance with such details as are agreed and thereafter maintained.

GROUND:

To protect the district's groundwater, and to ensure the development is served by satisfactory arrangements for the disposal of surface water, in accordance with Policies SE04 and CC02 of the Thanet Local Plan and advice contained within the NPPF.

7. Intrusive Investigation

- A. An intrusive investigation and updated risk assessment shall be undertaken by competent persons and a written report of the findings shall be submitted to and approved in writing by the Local Planning Authority prior to commencement of the development. It shall include an assessment of the nature and extent of any contamination on the site, whether or not it originates on the site. The report of the findings shall include:
 - a. A survey of the extent, scale and nature of contamination;
 - b. An assessment of the potential risks to:
 - i. Human health;
 - ii. Property (existing or proposed) including buildings, crops, livestock, pets, woodland and service lines and pipes;
 - iii. Adjoining land;
 - iv. Ground waters and surface waters;
 - v. Ecological systems;

- c. An appraisal of remedial options and identification of the preferred option(s).

All work pursuant to this Condition shall be conducted in accordance with the DEFRA and Environment Agency document Model Procedures for the Management of Land Contamination (Contamination Report 11).

- B. If investigation and risk assessment shows that remediation is necessary, a detailed remediation scheme to bring the site to a condition suitable for the intended use by removing unacceptable risks to human health, buildings and other property and the natural and historical environment shall be submitted to and approved in writing by the Local Planning Authority prior to commencement of the development. The scheme shall include details of all works to be undertaken, proposed remediation objectives and remediation criteria, a timetable of works, site management procedures and a verification plan. The scheme shall ensure that the site will not qualify as contaminated land under Part 2A of the Environmental Protection Act 1990 in relation to the intended use of the land after remediation. The approved remediation scheme shall be carried out in accordance with the approved terms including the timetable, unless otherwise agreed in writing by the Local Planning Authority. The Local Planning Authority shall be given two weeks written notification of commencement of the remediation scheme works.
- C. Prior to commencement of development, a verification report demonstrating completion of the works set out in the approved remediation scheme and the effectiveness of the remediation shall be submitted to and approved in writing by the Local Planning Authority. The report shall include results of sampling and monitoring carried out in accordance with the approved verification plan to demonstrate that the site remediation criteria have been met. It shall also include details of longer term monitoring of pollutant linkages and maintenance and arrangements for contingency action, as identified in the verification plan, and for the reporting of this to the Local Planning Authority.

GROUND:

To ensure that the proposed site investigation, remediation and development will not cause harm to human health or pollution of the environment, in accordance with Policy SE03 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

- 8. The development hereby permitted shall be constructed to a high standard of energy efficiency to the equivalent of Level 4 of the Code for Sustainable Homes, unless otherwise agreed in writing by the Local Planning Authority.

GROUND:

All new buildings and conversions of existing buildings must be designed to reduce emissions of greenhouse gases and have resilience to function in a changing climate, in accordance with Policy QD01 of the Thanet Local Plan.

9. The development hereby permitted shall be constructed in order to meet the required technical standard for water efficiency of 110 litres/person/day, thereby Part G2 Part 36 (2b) of Schedule 1 Regulation 36 to the Building Regulations 2010, as amended, applies.

GROUND:

Thanet is within a water stress area as identified by the Environment Agency, and therefore new developments will be expected to meet the water efficiency optional requirement of 110 litre /person/day, in accordance with Policy QD04 of the Thanet Local Plan.

10. The development hereby permitted shall incorporate measures to prevent the discharge of surface water onto the highway.

GROUND:

In the interests of highway safety, in accordance with the advice contained within the NPPF.

11. The area shown on the approved plan numbered (2-)02 Rev B for vehicle parking and manoeuvring areas, shall be kept available for such use at all times and such land and access thereto shall be provided prior to the first occupation of the dwelling hereby permitted.

GROUND:

To provide satisfactory off street parking for vehicles in accordance with Policy TP06 of the Thanet Local Plan and the advice contained within the NPPF

12. Prior to the first occupation of the development, the secure cycle parking facilities, as shown on approved drawing no. (2-)02 Rev B shall be provided and thereafter maintained.

GROUND:

To promote cycling as an alternative form of transport, in accordance with Policy TP03 and SP43 of the Thanet Local Plan.

13. Prior to the commencement of any development on site, details to include the precautionary mitigation measures for bats, badgers, hedgehogs, and nesting birds set out in Section 11 of the Ecological Impact Assessment, along with the following, shall be submitted to, and approved in writing by the Local Planning Authority and should be carried out in accordance with the approved details.
- a. Routing of construction and delivery vehicles to / from site
 - b. Parking and turning areas for construction and delivery vehicles and site personnel
 - c. Timing of deliveries
 - d. Provision of wheel washing facilities
 - e. Temporary traffic management / signage
 - f. Measures to control noise affecting nearby residents
 - g. Dust control measures

h. Access arrangements

GROUND:

In the interests of highway safety and neighbouring amenity, in accordance with Policy QD03 of the Thanet Local Plan and the advice contained within the NPPF.

14. Prior to the first use of the site hereby permitted, the vehicular access and associated vehicle crossing point onto the highway, as shown on the approved plan numbered (2-)02 Rev B should be completed and made operational.

GROUND:

In the interests of highway safety, in accordance with the advice contained within the NPPF.

15. The gradient of the access hereby approved shall be no steeper than 1 in 10 for the first 1.5 metres from the highway boundary and no steeper than 1 in 8 thereafter.

GROUND:

In the interests of highway safety, in accordance with the advice contained within the NPPF.

16. Prior to the first occupation of the development hereby approved, visibility splays of 2.4m x 33m to the west, and 2.4m x 30m to the east, shall be provided to the access on to Tivoli Park Avenue as shown on the approved plan no. (2-)02 Rev B, with no obstructions over 0.6m above carriageway level within the splays, which shall thereafter be maintained.

GROUND:

In the interest of highway safety in accordance with the advice contained within the NPPF.

17. Prior to the first occupation of the development hereby permitted, a pedestrian footway into the site, as shown on the approved plan numbered (2-)02 Rev B, shall be provided and thereafter maintained.

GROUND:

In the interest of pedestrian safety, in accordance with the advice contained within the NPPF.

18. Prior to the commencement of the development hereby permitted, details of the electric vehicle charging points to be provided within the development, including their location and design, shall be submitted to and approved in writing by the Local Planning Authority. The electric vehicle charging points shall be in the form of one active charging point per allocated parking space, and one active charging point per ten unallocated parking spaces. The electric vehicle charging points shall

be provided prior to the first occupation of the development and thereafter maintained.

GROUND:

To protect air quality, in accordance with Policy SE05 of the Thanet Local Plan and the advice as contained within the NPPF.

19. Prior to the commencement of development hereby permitted, a Method Statement for the removal of the existing abutment wall structure and construction of any slope abutting the highway, shall be submitted to, and approved in writing by, the Local Planning Authority. Development shall be carried out in accordance with the approved method statement.

GROUND:

In the interests of highway safety.

20. Prior to the first occupation of the development hereby approved, full details of both hard and soft landscape works, to include:
- a. species, size and location of new trees, shrubs, hedges and grassed areas to be planted (which shall be based upon the landscape strategy numbered 0132/21/B/1A, and shall include a minimum of 6no. replacement trees);
 - b. the treatment proposed for all hard surfaced areas beyond the limits of the highway (which shall be based upon the landscape strategy numbered 0132/21/B/1A);
 - c. walls, fences, other means of enclosure proposed;
 - d. ecological enhancements to be provided within the site (which shall be based upon the landscape strategy numbered 0132/21/B/1A, and the ecological enhancements set out within section 12 of the Ecological Impact Assessment;

shall be submitted to, and approved in writing by, the Local Planning Authority.

GROUND:

In the interests of the visual amenities of the area and to make a positive contribution to biodiversity, in accordance with Policies QD02 and SP30 of the Thanet Local Plan, and the advice as contained within the NPPF.

21. All hard and soft landscape works, including ecological enhancement features, shall be carried out in accordance with the approved details. The works shall be carried out prior to the first occupation/use of any part of the development, or in accordance with a programme of works to be agreed in writing with the Local Planning Authority.

Following completion of the landscape and enhancement works, photographic evidence of implementation shall be submitted to and approved in writing by the Local Planning Authority in order to verify the works have been completed in accordance with the approved plans, and to enable the full discharge of this condition. Any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously

damaged or diseased, shall be replaced in the next planting season with others of a similar size and species as those originally planted, unless written approval to any variation is provided by the Local Planning Authority. All ecological enhancement features shall thereafter be maintained.

GROUND:

In the interests of the visual amenities of the area, biodiversity enhancement, and to adequately integrate the development into the environment in accordance with Policies QD02, SP30 and GI04 of the Thanet Local Plan.

22. A landscape management plan (including long term design objectives), management responsibilities and maintenance schedules for all landscape areas, other than small, privately owned, domestic gardens, shall be submitted to and approved in writing by the Local Planning Authority prior to the occupation of the development or any phase of the development, whichever is the sooner, for its approved use. The amenity areas shall be managed in accordance with the approved landscape management plan in perpetuity.

GROUND:

In the interests of the visual amenities of the area and to adequately integrate the development into the environment in accordance with Policies QD02 and GI04 of the Thanet Local Plan.

23. Existing trees, shrubs and hedgerows identified for retention within the development site or existing trees growing on an adjacent site, where excavations, changes to land levels or underground works are within the crown spread, shall be protected in accordance with BS 5837 2012 using the following protective fence specification - o Chestnut paling fence 1.2m in height, to BS 1722 part 4, securely mounted on 1.7m x 7cm x 7.5cm timber posts driven firmly into the ground. The fence shall be erected in the location shown on the submitted tree protection plan numbered L875TPP. The protective fencing shall be erected before the works hereby approved or any site clearance work commences, and shall thereafter be maintained until the development has been completed. At no time during the site works shall building materials, machinery, waste, chemicals, stored or piled soil, fires or vehicles be allowed within the protective fenced area. Nothing shall be attached or fixed to any part of a retained tree and it should not be used as an anchor point. There shall be no change in the original soil level, nor trenches excavated within the protective fenced area.

GROUND:

To Protect existing trees and to adequately integrate the development into the environment, in accordance with Thanet Local Plan Policy QD02.

24. Prior to the installation of any external lighting a "lighting design strategy for biodiversity" for the site boundaries has been submitted to and approved in writing by the local planning authority. The lighting strategy shall

- a. Identify those areas/features on site that are particularly sensitive for badgers and bats and that are likely to cause disturbance in or around their breeding sites and resting places or along important routes used to access key areas of their territory;
- b. Show how and where external lighting will be installed so that it can be clearly demonstrated that areas to be lit will not disturb or prevent the above species using their territory.
- c. Details of the types of lighting to be used including their fittings, illumination levels and spread of light
- d. Follows the precautionary mitigation measures set out in Section 11 of the Ecological Impact Assessment, and the recommendations within the Bat Conservation Trust's Bats and Lighting in the UK guidance.

All external lighting shall be installed in accordance with the specifications and locations set out in the strategy and these shall be maintained thereafter in accordance with the strategy.

GROUND:

In order to limit the impact upon protected species that may be present, in accordance with Policy SP30 of the Thanet Local Plan and the advice as contained within the NPPF.

25. Prior to the construction of the external surfaces of the development hereby approved samples the materials to be used in the construction of the building(s) shall be submitted to, and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved samples unless otherwise agreed in writing by the Local Planning Authority.

GROUND:

In the interests of visual amenity in accordance with Policy QD02 of the Thanet Local Plan.

26. The development hereby approved shall be carried out in accordance with the submitted drawings numbered (2-)02 Rev B, received 08 January 2024.

GROUND:

To secure the proper development of the area.

Upon being put to the vote, the motion was declared **LOST**.

Councillor Rusecki proposed and Councillor Albon seconded that the application be REFUSED for the following reasons:

1. The proposed development, if permitted, would result in harm to, and loss of, protected trees (whilst creating future pressure for the removal of, or significant works to, existing protected trees) within the site. The proposal would also result in the loss of open space, which contributes

to the visual amenities and character of the surrounding area. The cumulative impact of this loss will result in severe harm to the character and appearance of the area, which is not outweighed by the benefits of the proposal, contrary to Policy QD02 of the Thanet Local Plan, and paragraphs 135 and 136 of the National Planning Policy Framework.

2. The proposed development will result in increased recreational pressure on the Thanet Coast and Sandwich Bay Special Protection Area (SPA), and Sandwich Bay and Hacklinge Marshes Site of Special Scientific Interest (SSSI), and in the absence of an acceptable form of mitigation to relieve the pressure, the proposed development would be contrary to Policy SP29 of the Thanet Local Plan, Paragraphs 180, 180 and 181 of the National Planning Policy Framework and the Conservation of Habitats and Species Regulations 2017 (as amended).

Upon being put to the vote, the motion was declared **CARRIED**.

Councillor Everitt recused himself from the Council Chamber, ahead of the next item.

- (g) **D07 F/TH/23/1352 - Land at Staner Court, Manston Road, Ramsgate**

PROPOSAL: Erection of 9No 3-bed and 2No 4-bed two storey dwellings, following demolition of existing garages, together with reconfiguration of parking area, alterations to informal play area and refuse storage space, and landscaping.

Mr Lemon spoke in favour of the application.

It was proposed by the Chair and seconded by the Vice-Chair:

THAT the officer's recommendation be adopted, namely that the application be deferred and delegated to officers for approval subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In accordance with Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Purchase Act 2004).

2. The proposed development shall be carried out in accordance with the submitted application as amended by the revised drawings numbered:

1036 Rev P12

3035 Rev P06
3036 Rev P06
3037 Rev P06
3038 Rev P06

Received 10 October 2023

GROUND:

To secure the proper development of the area.

3. Development shall not begin in any phase until a detailed sustainable surface water drainage scheme for the site has been submitted to (and approved in writing by) the local planning authority. The detailed drainage scheme shall be based upon the Civil Drainage Design Strategy prepared by Pick Everard (22/12/2023) and shall demonstrate that the surface water generated by this development (for all rainfall durations and intensities up to and including the climate change adjusted critical 100 year storm) can be accommodated and disposed of within the curtilage of the site without increase to flood risk on or off-site.

The drainage scheme shall also demonstrate (with reference to published guidance):

- that silt and pollutants resulting from the site use can be adequately managed to ensure there is no pollution risk to receiving waters.
- appropriate operational, maintenance and access requirements for each drainage feature or SuDS component are adequately considered, including any proposed arrangements for future adoption by any public body or statutory undertaker.

The drainage scheme shall be implemented in accordance with the approved details.

GROUND:

To ensure the development is served by satisfactory arrangements for the disposal of surface water and to ensure that the development does not exacerbate the risk of on/off site flooding, in accordance with Policy CC02 of the Thanet Local Plan and advice contained within the NPPF.

4. No building on any phase (or within an agreed implementation schedule) of the development hereby permitted shall be occupied until a Verification Report for that phase, pertaining to the surface water drainage system and prepared by a suitably competent person, has been submitted to and approved by the Local Planning Authority. The Report shall demonstrate the suitable modelled operation of the drainage system where the system constructed is different to that approved. The Report shall contain information and evidence (including photographs) of details and locations of inlets, outlets and control structures; landscape plans; full as built drawings; information pertinent to the installation of those items identified on the critical drainage assets drawing; and, the submission of an operation and maintenance manual for the sustainable drainage scheme as constructed.

GROUND:

To ensure the development is served by satisfactory arrangements for the disposal of surface water and to ensure that the development does not exacerbate the risk of on/off site flooding, in accordance with Policy CC02 of the Thanet Local Plan and advice contained within the NPPF.

5. Where infiltration is to be used to manage the surface water from the development hereby permitted, it will only be allowed within those parts of the site where information is submitted to demonstrate to the Local Planning Authority's satisfaction that there is no resultant unacceptable risk to controlled waters and/or ground stability. The development shall only then be carried out in accordance with the approved details.

GROUND:

To protect vulnerable groundwater resources in accordance with Policy SE04 of the Thanet Local Plan, and the advice contained within the National Planning Policy Framework.

6. A detailed remediation scheme to bring the site to a condition suitable for the intended use by removing unacceptable risks to human health, buildings and other property and the natural and historical environment shall be submitted to and approved in writing by the Local Planning Authority prior to commencement of the development. The scheme shall include details of all works to be undertaken, proposed remediation objectives and remediation criteria, a timetable of works, site management procedures and a verification plan. The scheme shall ensure that the site will not qualify as contaminated land under Part 2A of the Environmental Protection Act 1990 in relation to the intended use of the land after remediation. The approved remediation scheme shall be carried out in accordance with the approved terms including the timetable, unless otherwise agreed in writing by the Local Planning Authority. The Local Planning Authority shall be given two weeks written notification of commencement of the remediation scheme works.

GROUND:

To ensure that the proposed site investigation, remediation and development will not cause harm to human health or pollution of the environment, in accordance with Policy SE03 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

7. Prior to the first occupation of the development, a verification report demonstrating completion of the works set out in the approved remediation scheme and the effectiveness of the remediation shall be submitted to and approved in writing by the Local Planning Authority. The report shall include results of sampling and monitoring carried out in accordance with the approved verification plan to demonstrate that the site remediation criteria have been met. It shall also include details of longer term monitoring of pollutant linkages and maintenance and arrangements for contingency action, as identified in the verification plan, and for the reporting of this to the Local Planning Authority.

GROUND:

To ensure that the proposed site investigation, remediation and development will not cause harm to human health or pollution of the environment, in accordance with Policy SE03 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

8. If, during development, significant contamination is suspected or found to be present at the site, then works shall cease, and this contamination shall be fully assessed and an appropriate remediation scheme agreed with the Local Planning Authority. The approved works shall be implemented within a timetable agreed by the Local Planning Authority and shall be of such a nature as to render harmless the identified contamination given the proposed end use of the site and surrounding environment, including controlled waters. Prior to first occupation/use and following completion of approved measures, a verification report shall be submitted to the Local Planning Authority for approval.

GROUND:

To ensure that the proposed development will not cause harm to human health or pollution of the environment, in accordance with Policy SE03 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

9. Piling using penetrative methods shall not be carried out other than with the written consent of the local planning authority. The development shall be carried out in accordance with the approved details.

GROUND:

To ensure that the proposed development will not cause harm to human health or pollution of the environment, in accordance with Policy SE03 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

10. Prior to the commencement of development hereby permitted, details of the measures to be taken to protect the public sewers shall be submitted to, and approved in writing by, the Local Planning Authority. Development shall be carried out in accordance with the approved details.

GROUND:

To protect the district's groundwater, in accordance with Policy SE04 of the Thanet Local Plan, and the advice contained within the National Planning Policy Framework.

11. No development shall take place until details of the means of foul drainage have been submitted to and agreed in writing by the Local Planning Authority. The development shall be carried out in accordance with such details as are agreed and thereafter maintained.

GROUND:

To protect the district's groundwater, in accordance with Policy SE04 of the Thanet Local Plan, and the advice contained within the National Planning Policy Framework.

12. Prior to the first occupation of the development hereby approved, full details of both hard and soft landscape works, to include:
 - A. species, size and location of new trees, shrubs, hedges and grassed areas to be planted,
 - B. the treatment proposed for all hard surfaced areas beyond the limits of the highway,
 - C. walls, fences, other means of enclosure proposed,
 - D. ecological enhancements to be provided within the sit, to include the measures recommended in section 9 of the Preliminary Ecological Appraisal (Lloyd Bore March 2023),
 - E. details of the community garden,
 - F. details of the informal playspace,

shall be submitted to, and approved in writing by, the Local Planning Authority.

GROUND:

In the interests of the visual amenities of the area and to make a positive contribution to biodiversity, in accordance with Policies QD02 and SP30 of the Thanet Local Plan, and the advice as contained within the NPPF.

13. All hard and soft landscape works, including ecological enhancement features, shall be carried out in accordance with the approved details. The works shall be carried out and completed in accordance with a programme of works to be submitted to and approved in writing by the Local Planning Authority.

Following completion of the landscape and enhancement works, photographic evidence of implementation shall be submitted to and approved in writing by the Local Planning Authority in order to verify the works have been completed in accordance with the approved plans, and to enable the full discharge of this condition. Any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of a similar size and species as those originally planted, unless written approval to any variation is provided by the Local Planning Authority. All ecological enhancement features shall thereafter be maintained.

GROUND:

In the interests of the visual amenities of the area, biodiversity enhancement, and to adequately integrate the development into the environment in accordance with Policies QD02, SP30 and GI04 of the Thanet Local Plan.

14. Prior to the construction of the external surfaces of the development hereby approved samples the materials to be used in the construction of the building(s) shall be submitted to, and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved samples unless otherwise agreed in writing by the Local Planning Authority.

GROUND:

In the interests of visual amenity in accordance with Policy QD02 of the Thanet Local Plan.

15. Prior to the commencement of the development a Construction Environmental Management Plan (CEMP) shall be submitted to and approved in writing by the Local Planning Authority. The Construction Environmental Management Plan shall include the mitigation measures as set out within Appendix D of the Air Quality Assessment, along with the following details:
 - A. Routing of construction and delivery vehicles to / from site
 - B. Parking and turning areas for construction and delivery vehicles and site personnel
 - C. Timing of deliveries

- D. Provision of wheel washing facilities
- E. Temporary traffic management / signage
- F. Measures to control noise affecting nearby residents
- G. Dust control measures
- H. Access arrangements
- I. Parking availability for existing residents during construction works

Development shall be carried out in accordance with the approved details.

GROUND:

In the interests of highway safety and neighbouring amenity, in accordance with Policy QD03 of the Thanet Local Plan and the advice contained within the NPPF.

- 16. The development hereby permitted shall incorporate measures to prevent the discharge of surface water onto the highway.

GROUND:

In the interests of highway safety, in accordance with the advice contained within the NPPF.

- 17. The area shown on the approved plan numbered 1036 Rev P12 for vehicle parking and manoeuvring areas, shall be kept available for such use at all times and such land and access thereto shall be provided prior to the first occupation of the dwellings hereby permitted.

GROUND:

To provide satisfactory off street parking for vehicles in accordance with Policy TP06 of the Thanet Local Plan and the advice contained within the NPPF.

- 18. Prior to the 1036 Rev P12 of the development, the secure cycle parking facilities, as shown on approved drawing no. shall be provided and thereafter maintained.

GROUND:

To promote cycling as an alternative form of transport, in accordance with Policy TP03 and SP43 of the Thanet Local Plan.

- 19. The escape road/footpath as shown on the approved plan numbered 1036 Rev P12 shall only be used by vehicles when a fire tender is blocking the main access road. Removable bollards shall be installed at either end of the escape road, which shall only be removed when the escape road is in use by vehicles. The removable bollards shall thereafter be maintained.

GROUND:

In the interests of highway safety and residential amenity, in accordance with the advice contained within the NPPF.

20. The area shown hatched (both existing and new) on the submitted site plan numbered 1036 Rev P12, shall be marked on site prior to the first occupation of the development hereby permitted, and thereafter maintained for emergency vehicles only.

GROUND:

In the interests of public safety by enabling access for fire tender vehicles.

21. Prior to the first occupation of the development hereby permitted, details of a pedestrian crossing point to be provided at the junction of Staner Court and Manston Road, shall be submitted to, and approved in writing by, the Local Planning Authority. The pedestrian crossing point shall be provided prior to the first occupation of the development.

GROUND:

In the interests of pedestrian movement and safety, in accordance with Policy TP02 of the Thanet Local Plan.

22. No further alterations or extensions to the roof of unit numbers 4-7, whether approved by Class B or C of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order), shall be carried out without the prior permission in writing of the Local Planning Authority.

GROUND:

To safeguard the residential amenities currently enjoyed by the occupiers of nearby residential properties in accordance with Policy QD03 of the Thanet Local Plan.

23. The development hereby permitted shall be constructed to a high standard of energy efficiency to the equivalent of Level 4 of the Code for Sustainable Homes, unless otherwise agreed in writing by the Local Planning Authority.

GROUND:

All new buildings and conversions of existing buildings must be designed to reduce emissions of greenhouse gases and have resilience to function in a changing climate, in accordance with Policy QD01 of the Thanet Local Plan.

24. The development hereby permitted shall be constructed in order to meet the required technical standard for water efficiency of 110litres/person/day, thereby Part G2 Part 36 (2b) of Schedule 1 Regulation 36 to the Building Regulations 2010, as amended, applies.

GROUND:

Thanet is within a water stress area as identified by the Environment Agency, and therefore new developments will be expected to meet the water efficiency optional requirement of 110litre /person/day, in accordance with Policy QD04 of the Thanet Local Plan.

25. Prior to the commencement of the development hereby permitted, details of the electric vehicle charging points to be provided within the development, including their location and design, shall be submitted to and approved in writing by the Local Planning Authority. The electric vehicle charging points shall be in the form of one active charging point per allocated parking space, and one active charging point per ten unallocated parking spaces. The electric vehicle charging points shall be provided prior to the first occupation of the development and thereafter maintained.

GROUND:

To protect air quality, in accordance with Policy SE05 of the Thanet Local Plan and the advice as contained within the NPPF.

Upon being put to the vote, the motion was declared **CARRIED**.

(h) **D08 F/TH/23/1343 - Garage Blocks at Tomlin Drive, Margate**

PROPOSAL: Erection of 8 No three storey 3-bed semi detached dwellings and 4 No three storey 4-bed terraced dwellings, together with associated access, parking and landscaping.

Mr Lemon spoke in favour of the application.

It was proposed by the Chair and seconded by the Vice-Chair:

THAT the officer's recommendation be adopted, namely that the application be deferred and delegated to officers for approval subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In accordance with Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Purchase Act 2004).

2. The proposed development shall be carried out in accordance with the submitted application as amended by the revised drawings numbered 1130 Rev P07, 1131 Rev P07, 1132 Rev P07, 1133 Rev P07, 1134 Rev P07, 1135 Rev P07, 2080 Rev P06, 2081 Rev P04, 2085 Rev P06, 2086 Rev P06, 3040 Rev P06, 3043 Rev P06 and 3044 Rev P06 received 09 October 2023, 221510-PEV-TD-00-DG-C-0700 Rev P02, 221510-PEV-TD-00-DG-C-0510 Rev P04, 221510-PEV-TD-00-DG-C-1121 Rev P02, 221510-PEV-TD-00-DG-C-1120 Rev P02 received 11 October 2023, DPLC/TOM/LD001, DPLC/TOM/LD002, DPLC/TOM/LD003, DPLC/TOM/LD004 received 18 October 2023, DPLC/TOM/LD005/A received 08 December 2023, 1045 Rev P15, 1046 Rev P11 and 1047 Rev P09 received 03 January 2024.

GROUND:

To secure the proper development of the area.

3. The development hereby permitted shall be completed in accordance with the submitted landscaping plans DPLC/TOM/LD001, DPLC/TOM/LD002, DPLC/TOM/LD003, DPLC/TOM/LD004 received 18 October 2023 and DPLC/TOM/LD005/A received 08 December 2023.

GROUND:

In the interests of the visual amenities of the area and to adequately integrate the development into the environment in accordance with Policies QD02 and GI04 of the Thanet Local Plan.

4. All hard and soft landscape works, including ecological enhancement features, shall be carried out in accordance with the approved details. The works shall be carried out prior to the first occupation/use of any part of the development, or in accordance with a programme of works to be agreed in writing with the Local Planning Authority.

Following completion of the landscape and enhancement works, photographic evidence of implementation shall be submitted to and approved in writing by the Local Planning Authority in order to verify the works have been completed in accordance with the approved plans, and to enable the full discharge of this condition. Any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of a similar size and species as those originally planted, unless written approval to any variation is provided by the Local Planning Authority. All ecological enhancement features shall thereafter be maintained.

GROUND:

In the interests of the visual amenities of the area, biodiversity enhancement, and to adequately integrate the development into the environment in accordance with Policies QD02, SP30 and GI04 of the Thanet Local Plan.

5. Existing trees, shrubs and hedgerows identified for retention within the development site or existing trees growing on an adjacent site, where excavations, changes to land levels or underground works are within the crown spread, shall be protected in accordance with BS 5837 2012 using the following protective fence specification - o Chestnut paling fence 1.2m in height, to BS 1722 part 4, securely mounted on 1.7m x 7cm x 7.5cm timber posts driven firmly into the ground. The fence shall be erected below the outer most limit of the branch spread or at a distance equal to half the height of the tree, whichever is the furthest from the tree, unless otherwise agreed in writing with the Local Planning Authority. The protective fencing shall be erected before the works hereby approved or any site clearance work commences, and shall thereafter be maintained until the development has been completed. At no time during the site works shall building materials, machinery, waste, chemicals, stored or piled soil, fires or vehicles be allowed within the protective fenced area. Nothing shall be attached or

fixed to any part of a retained tree and it should not be used as an anchor point. There shall be no change in the original soil level, nor trenches excavated within the protective fenced area.

GROUND:

To Protect existing trees and to adequately integrate the development into the environment, in accordance with Thanet Local Plan Policy QD02.

6. All excavations within the existing spread of the trees to be retained shall be carried out manually; using only hand held tools and any roots exposed thereby shall be bridged over in the construction of the foundations.

GROUND:

To Protect existing trees and to adequately integrate the development into the environment, in accordance with Thanet Local Plan Policy QD02.

7. Prior to the first occupation of the development hereby approved details of the proposed ecological enhancements shall be submitted to and approved in writing by the Local Planning Authority.

GROUND:

To make a positive contribution to biodiversity, in accordance with policy SP30 of the Thanet Local Plan, and the advice as contained within the NPPF.

8. Prior to the installation of any external lighting a "lighting design strategy for biodiversity" for the site boundaries has been submitted to and approved in writing by the local planning authority. The lighting strategy shall:
 - A. Identify those areas/features on site that are particularly sensitive for badgers and bats and that are likely to cause disturbance in or around their breeding sites and resting places or along important routes used to access key areas of their territory;
 - B. Show how and where external lighting will be installed so that it can be clearly demonstrated that areas to be lit will not disturb or prevent the above species using their territory.
 - C. Details of the types of lighting to be used including their fittings, illumination levels and spread of light

All external lighting shall be installed in accordance with the specifications and locations set out in the strategy and these shall be maintained thereafter in accordance with the strategy.

GROUND:

In order to limit the impact upon protected species that may be present, in accordance with Policy SP30 of the Thanet Local Plan and the advice as contained within the NPPF.

9. If, during development, significant contamination is suspected or found to be present at the site, then works shall cease, and this

contamination shall be fully assessed and an appropriate remediation scheme agreed with the Local Planning Authority. The approved works shall be implemented within a timetable agreed by the Local Planning Authority and shall be of such a nature as to render harmless the identified contamination given the proposed end use of the site and surrounding environment, including controlled waters. Prior to first occupation/use and following completion of approved measures, a verification report shall be submitted to the Local Planning Authority for approval.

GROUND:

To ensure that the proposed development will not cause harm to human health or pollution of the environment, in accordance with Policy SE03 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

10. Where infiltration is to be used to manage the surface water from the development hereby permitted, it will only be allowed within those parts of the site where information is submitted to demonstrate to the Local Planning Authority's satisfaction that there is no resultant unacceptable risk to controlled waters and/or ground stability. The development shall only then be carried out in accordance with the approved details

GROUND:

To protect vulnerable groundwater resources in accordance with Policy SE04 of the Thanet Local Plan, and the advice contained within the National Planning Policy Framework.

11. Piling or any other foundation designs using penetrative methods shall not be permitted other than with the express written consent of the Local Planning Authority, which may be given for those parts of the site where it has been demonstrated by a piling risk assessment that there is no resultant unacceptable risk to groundwater. The development shall be carried out in accordance with the approved details.

GROUND:

To ensure that the proposed development will not cause harm to human health or pollution of the environment, in accordance with Policy SE03 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

12. The development hereby permitted shall be completed in accordance with the recommendations of the protected and details contained in section 6 of the Lloydbore Ecological Impact Assessment report (March 2023) received 11 October 2023.

GROUND:

In order to safeguard protected species that may be present, in accordance with Policy SP30 of the Thanet Local Plan and advice as contained within the NPPF.

13. No Development shall take place until a detailed sustainable surface water drainage scheme for the site has been submitted to (and approved in writing by) the local planning authority. The detailed drainage scheme shall demonstrate that the surface water generated by this development (for all rainfall durations and intensities up to and including the climate change adjusted critical 100 year storm) can be accommodated and disposed of within the curtilage of the site without increase to flood risk on or off-site. The drainage scheme shall also demonstrate that silt and pollutants resulting from the site use and construction can be adequately managed to ensure there is no pollution risk to receiving waters.

GROUND:

To ensure the development is served by satisfactory arrangements for the disposal of surface water and to ensure that the development does not exacerbate the risk of on/off site flooding, in accordance with Policy CC02 of the Thanet Local Plan and advice contained within the NPPF.

14. No building on any phase (or within an agreed implementation schedule) of the development hereby permitted shall be occupied until a Verification Report for that phase, pertaining to the surface water drainage system and prepared by a suitably competent person, has been submitted to and approved by the Local Planning Authority. The Report shall demonstrate the suitable modelled operation of the drainage system where the system constructed is different to that approved. The Report shall contain information and evidence (including photographs) of details and locations of inlets, outlets and control structures; landscape plans; full as built drawings; information pertinent to the installation of those items identified on the critical drainage assets drawing; and, the submission of an operation and maintenance manual for the sustainable drainage scheme as constructed.

GROUND:

To ensure the development is served by satisfactory arrangements for the disposal of surface water and to ensure that the development does not exacerbate the risk of on/off site flooding, in accordance with Policy CC02 of the Thanet Local Plan and advice contained within the NPPF.

15. The development hereby permitted shall be constructed to a high standard of energy efficiency to the equivalent of Level 4 of the Code for Sustainable Homes, unless otherwise agreed in writing by the Local Planning Authority.

GROUND:

All new buildings and conversions of existing buildings must be designed to reduce emissions of greenhouse gases and have resilience to function in a changing climate, in accordance with Policy QD01 of the Thanet Local Plan.

16. The development hereby permitted shall be constructed in order to meet the required technical standard for water efficiency of

110litres/person/day, thereby Part G2 Part 36 (2b) of Schedule 1 Regulation 36 to the Building Regulations 2010, as amended, applies.

GROUND:

Thanet is within a water stress area as identified by the Environment Agency, and therefore new developments will be expected to meet the water efficiency optional requirement of 110litre /person/day, in accordance with Policy QD04 of the Thanet Local Plan.

17. Prior to the commencement of the development hereby permitted, details of the electric vehicle charging points to be provided within the development, including their location and design, shall be submitted to and approved in writing by the Local Planning Authority. The electric vehicle charging points shall be in the form of one active charging point per allocated parking space, and one active charging point per ten unallocated parking spaces. The electric vehicle charging points shall be provided prior to the first occupation of the development and thereafter maintained.

GROUND:

To protect air quality, in accordance with Policy SP14 of the Thanet Local Plan and the advice as contained within the NPPF.

18. Prior to the first occupation of the development, the secure cycle parking facilities, as shown on approved drawing no. 1045 Rev P15 shall be provided and thereafter maintained.

GROUND:

To promote cycling as an alternative form of transport, in accordance with Policy TP03 and SP43 of the Thanet Local Plan.

19. Prior to the commencement of any development on site details to include the following shall be submitted to and approved by the Local Planning Authority and should be carried out in accordance with the approved details.
 - A. Routing of construction and delivery vehicles to / from site
 - B. Parking and turning areas for construction and delivery vehicles and site personnel
 - C. Timing of deliveries
 - D. Provision of wheel washing facilities
 - E. Temporary traffic management / signage
 - F. Measures to control noise affecting nearby residents
 - G. Dust control measures (including the mitigation measures set out in Appendix d of the Air Quality Assessment provided within the ES and IAQM Guidance dust from demolition and construction 2014.)
 - H. Access arrangements

GROUND:

In the interests of highway safety and neighbouring amenity, in accordance with Policy QD03 of the Thanet Local Plan and the advice contained within the NPPF.

20. Prior to the commencement of development a detailed remediation scheme to bring the site to a condition suitable for the intended use by removing unacceptable risks to human health, buildings and other property and the natural and historical environment shall be submitted to and approved in writing by the Local Planning Authority prior to commencement of the development. The scheme shall include details of all works to be undertaken, proposed remediation objectives and remediation criteria, a timetable of works, site management procedures and a verification plan. The scheme shall ensure that the site will not qualify as contaminated land under Part 2A of the Environmental Protection Act 1990 in relation to the intended use of the land after remediation. The approved remediation scheme shall be carried out in accordance with the approved terms including the timetable, unless otherwise agreed in writing by the Local Planning Authority. The Local Planning Authority shall be given two weeks written notification of commencement of the remediation scheme works.

GROUND:

To ensure that the proposed development will not cause harm to human health or pollution of the environment, in accordance with Policy SE03 of the Thanet Local Plan and the advice contained within the National Planning Policy Framework.

21. All dwellings hereby approved shall only be occupied to individuals or families who have been nominated by the Council, in accordance with its published allocations policy at the time.

GROUND:

To meet the exception criteria that omits the need to provide 25% first homes on development sites exclusively for affordable housing, in accordance with the Council's First Homes Interim Policy Statement (April 2022), Policy SP23 of the Thanet Local Plan, and the NPPF.

Upon being put to the vote, the motion was declared **CARRIED**.

Councillor Everitt returned to the Council Chamber.

(b) **A02 FH/TH/23/1036 - Bleak House, Fort Road, Broadstairs**

PROPOSAL: Erection of a glasshouse following partial demolition of courtyard walls together with regrading of south lawn following alterations to paved terrace and formation of steps (Part Retrospective).

It was proposed by Council Rusecki, seconded by Councilor Albon:

THAT the officer's recommendation be adopted, namely that the application be approved subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In accordance with Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Purchase Act 2004).

2. The proposed development shall be carried out in accordance with the submitted application as amended by the revised drawings numbered 224/P10A and 224/P11A received 16 November 2023.

GROUND:

To secure the proper development of the area.

Upon being put to the vote, the motion was declared **CARRIED**.

(c) **A03 L/TH/23/1248 - Bleak House, Fort Road, Broadstairs**

PROPOSAL: Application for Listed Building Consent for the erection of a glasshouse following partial demolition of courtyard walls together with regrading of south lawn following alterations to paved terrace and formation of steps (Part Retrospective).

It was proposed by Council Rusecki, seconded by Councilor Albon:

THAT the officer's recommendation be adopted, namely that the application be approved subject to the following conditions:

1. The works hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In pursuance of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

2. Prior to the erection of the glasshouse, details at a scale of 1:5 of the windows and doors to include sections through frames shall be submitted to and approved in writing by the Local Planning Authority. Such details as are approved shall be carried out concurrently with the development and fully implemented prior to the first occupation of any part of the approved development.

GROUND:

To secure a satisfactory external treatment and to safeguard the special character and appearance of the designated heritage asset in accordance with HE03 of the Thanet Local Plan and advice contained within the National Planning Policy Framework.

3. The new sections of wall adjacent to the steps on the eastern side of the site shall be of the same colour, finish and texture as those on the existing wall.

GROUND:

To secure a satisfactory external treatment and to safeguard the special character and appearance of the designated heritage asset in accordance with HE03 of the Thanet Local Plan and advice contained within the National Planning Policy Framework.

Upon being put to the vote, the motion was declared **CARRIED**.

(d) **A04 FH/TH/23/1469 - 26 Prince Andrew Road, Broadstairs**

PROPOSAL: Erection of a disability access ramp together with handrail.

It was proposed by Council Rusecki, seconded by Councilor Albon:

THAT the officer's recommendation be adopted, namely that the application be approved subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In accordance with Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Purchase Act 2004).

2. The development hereby approved shall be carried out in accordance with the submitted drawings numbered 23/632/JG/PR01 Rev A dated 20 November 2023.

GROUND:

To secure the proper development of the area.

Upon being put to the vote, the motion was declared **CARRIED**.

(e) **A05 FH/TH/23/1345 - 33 Nash Court Gardens, Margate**

PROPOSAL: Erection of single storey garden annexe to rear of garden following demolition of 2 no. existing outbuildings.

It was proposed by Council Rusecki, seconded by Councilor Albon:

THAT the officer's recommendation be adopted, namely that the application be approved subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

GROUND:

In accordance with Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Purchase Act 2004).

2. The development hereby approved shall be carried out in accordance with the submitted drawings numbered 05167_OB02 Rev B, received 09 October 2023.

GROUND:

To secure the proper development of the area.

3. Prior to the construction of the external surfaces of the development hereby approved details the materials to be used in the construction of the building(s) shall be submitted to, and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details unless otherwise agreed in writing by the Local Planning Authority.

GROUND:

In the interests of visual amenity in accordance with Policy QD02 of the Thanet Local Plan.

4. The annexe hereby approved shall be used as ancillary accommodation, incidental to the enjoyment of the main dwelling house.

GROUND:

To ensure that an independent residential use is not created that would fall below the Nationally Described Space Standards identified within Policies QD03 and QD04 of the Thanet Local Plan, and to safeguard the character, appearance and pattern of development of the area, in accordance with Policies QD02 and paragraph 130 of the National Planning Policy Framework.

Upon being put to the vote, the motion was declared **CARRIED**.

Meeting concluded : 8.56 pm
