A:1 Day – 4 weeks Review: **limited officer resource allocations required** for a successful review  
 B:More than 4 weeks and up to 3 months – **significant officer resource allocations required** for a successful review  
 C:More than 3 months: **very significant officer resource allocation required** for a successful review

Below are examples of officer reports topics identified by the previous Panel

**Request for Officer Reports**

- **Review of Section 106 Management:** how S.106 contributions are allocated, and what procedures are in place to ensure effective delivery
- **Broken Waste Bin Review:** To review the large number of broken waste bins (mainly missing lids) in Thanet. Waste collection is a statutory service however the number of broken bins leads to added rubbish and litter in all wards particularly those with densely populated areas which adversely affects the quality of residents lives and their health. The open bins attract vermin as well as foxes and seagulls who rip open the bags which should be contained in a fully functional bin with a lid. I request that these broken bins are repaired/or replaced by the council free of charge to residents.
- **Update on externally funded regeneration projects:** Regular 2-monthly updates on all externally funded regeneration projects - To include eg business plan, project management framework, progress against workplan, spend against projections, issues arising, risk analysis etc: appropriate focus for each meeting/ project to be agreed with Cabinet member & Regeneration team by the OSP Chair.
- **Review of governance and performance of on-street parking income:** investigate the governance arrangements, the resources employed in policing on street parking and in collecting and managing the fund and what overhead this represents.
