## Purpose of the Report

The Draft Audit Opinion (Annex 1) highlights the key matters arising from the audit of the Thanet District Council's financial statements for the year ended 31 March 2023. It is also used to report the audit findings to management and those charged with governance in accordance with the requirements of International Standard on Auditing 260 (ISA). A representative from Grant Thornton will present their Draft Audit Opinion Report, which is included at Annex 1 to this report.

## Recommendation(s):

1. That the committee considers the Draft Audit Opinion for the 2022/23 Statement of Accounts and notes the report.

## 1. Summary of Reasons

- 1.1 As was reported to the July meeting, the draft Statement of Accounts for 2022-23 are now published, but due to the reasons set out in this report and the Draft Audit Opinion detailed in Grant Thornton's report, shown in Annex 1 it is necessary to agree a disclaimed position in relation to these as a full Audit has not been possible.

## 2. Background

- 2.1 Grant Thornton are required to report to those charged with governance whether the council's financial statements present a true and fair view of the financial position, its expenditure and income for the year and whether they have been properly prepared.

2.2 Grant Thornton intends to issue a disclaimed audit opinion following the Committee meeting.

### **3. Relevant Issues**

3.1 The Accounts and Audit (Amendment) Regulations 2024 ('the Regulations') require the Authority to publish audited financial statements for the year ended 31 March 2023 by 13 December 2024 ('the backstop date'), with draft accounts being made available for public inspection for 30 working days.

3.2 As is the case with the majority of Local Government, we are playing catch up with regards to the publication and approval of financial statements.

3.3 This report and supporting documents see us making progress towards establishing a clean slate with regards to production and reporting of the main statements.

3.4 Grant Thornton were engaged to audit the financial statements of Thanet District Council for the year ended 31 March 2023.

3.5 The Accounts and Audit (Amendment) Regulations 2024 ('the Regulations') require the Authority to publish audited financial statements for the year ended 31 March 2023 by 13 December 2024 ('the backstop date'). The backstop date has been put in law with the purpose of clearing the backlog of historical financial statements. In consultation with Grant Thornton, a prioritisation of years was required along with whether this date was achievable for either party. As a result, we considered the following options:

**Option 1** – we agree to backstop 2022-23 with no work performed and complete 2023-24 between Oct and December 2024 to make sure we meet the Feb 2025 date. Clearly this would have implications for Opinions on these years but would reduce the risk of us backstopping both 2022-23 and 2023-24.

**Option 2** – we stick with the existing timeframes but recognise both us and yourselves will need to throw everything at making sure we finish both years by the deadlines, which could mean completing 2023-24 in around six weeks once everyone is back from the New Year Break to avoid things being backstopped. I suspect this approach will require the team to produce 2023-24 alongside auditing 2022-23 which may well be a challenge from a capacity point of view.

**Option 3** – we stick with existing timeframes and see where we can get, but accept there has to be a strong likelihood of at least one year being backstopped under these arrangements.

3.6 Although initially the preferred approach was that of Option 2, it soon became apparent that Option 1 was the only real option, as a result and after further conversation with Grant Thornton a decision was taken to support this.

## **4. Alternative Options**

- 4.1 It is a statutory requirement to produce a set of financial statements and present them to this committee for consideration.

## **5. Consultation**

- 5.1 There is no statutory or public law duty to consult in relation to this decision.

## **6. Corporate Implications**

### **6.1 Finance and Resources**

- 6.1.1 There are no direct financial implications arising from this report.

### **6.2 Legal and Constitutional**

- 6.2.1 Section 3 of the Local Audit and Accountability Act 2014 requires local authorities to prepare a statement of accounts.

Local authorities must produce their accounts in accordance with the Code of Practice on Local Authority Accounting. In England and Wales, the Code constitutes a 'proper accounting practice' under the terms of Section 21(2) of the Local Government Act 2003.

These proper practises apply to statements of accounts prepared in accordance with the statutory framework established for England by the Accounts and Audit Regulations 2015. The audit of those accounts is undertaken in accordance with the statutory framework established by Sections 3 and 20 of the Local Audit and Accountability Act 2014.
